### WEEK ENDING NOVEMBER 3:

#### **BOARD MEETING (SPECIAL DATE)**

Just a friendly reminder that our November board meeting will be held on <u>Tuesday, November 14 at</u> <u>7pm</u>. Please have all meeting minute edits (10/10 & 10/24) back by Tuesday, November 7 at noon. I will send out the meeting request and other information next week. I am also working to get the packet out early to you before Veteran's Day weekend.

#### **SPOOKY SWIM**

We filled 80/93 spots for the Spooky Swim on Saturday, October 28. Jared ran the activity, and it went well. Our next special event will be our holiday swim on Saturday, December 9. (*Thanks to Gene for the photos.*)

#### **TRICK OR TREAT PATH**

We handed out candy for a full uninterrupted 2 plus hours. We gave out the remaining rubber ducks and about 1,000 flyers for our Saturday Open Swim. I will send out a picture of the event with next week's report.

#### SATURDAY OPEN SWIM

Since we gave out almost 1,000 flyers to attend this Saturday's Open Swim for free we had to make some plans in case people were turned away. We are going to stick to the first 93 participants.

#### SWIM LESSON INFORMATION

Staff is working to finalize the winter lesson schedule including registration. We will have more information in next week's report. The next set of lessons will start on January 13, and we are working to have registration between Thanksgiving and Winter breaks.

#### **PRIVATE SWIM MEET**

We will be hosting a SMAC swim meet this Sunday (November 6) morning between 8am and Noon.

#### AIRLINE SAFETY TRAINING

Alaska Airlines renewed for us hosting their trainings for another year. They will be using our midafternoon opening to perform the trainings, which should not affect our other programming.

#### **DES MOINES CITY CURRENTS ADS**

Gene is working on a full-page and half-page ad for the Des Moines City Currents that will be out on November 21. The full-page ad will be to direct towards our website/email notification system and the half-page will be for the holiday swim on December 9.

#### GRANTS

I am wrapping up billing for three grants totaling \$130k to King County. I need to have them completed by November 30.

#### **BENCH PROJECT**

Staff and our volunteer are finishing their final bench in November. They have revarnished all of the benches in the facility.

#### **CLOSURE PROJECTS**

Quentin is working with Aquatic Specialties to get the equipment ordered for the back room repairs that were approved at the September meeting. We hope to have the parts on board, in case there is an emergency closure. Sourcing parts sometimes slows these repairs down, especially during the winter.

#### COMPLAINT

We received a complaint from a water exercise participant that the noodles were too tight in the deck storage unit for noodles. We are working to build another unit out of PVC to store the other half (excess) of the noodles to make access easier.

#### HIRING

We just completed our 114<sup>th</sup> digital job interest card, and staff will be hosting a lifeguard class of seven students that we have been training internally to pass the lifeguard class. The managers have been

working with them afterschool to pass the physical requirements that many do not have the skills to complete when they apply.

#### **OFFICE CLEANING**

The custodian had not cleaned the district offices for the last couple of months. They have refunded us for the last two months and are no longer providing the service. I will clean the office, if needed.

#### **GUTTER CLEANING**

Sound Cleaning is scheduled to be out next Thursday, November 9 to clean the roof and gutters. This is the first year we have had to clean the roof, but it is needed. We also clean the gutters to avoid damages.

#### WCIA ANNUAL COMPACT

I am attending a virtual training next Wednesday, November 8 between 10am and noon. The training will complete our annual compact, which is an insurance requirement and could lead to a fine.

#### BILLING

Quentin is finalizing billing for this year with the swim team and physical therapy rentals.

#### DISTRICT CLERK UPDATE

The district clerk wrapped up their second week of training and front desk work. Next week we will start training on some of the office/administration skills.

#### FIT ON HEALTH INSURANCE AGREEMENT

I received edits back from our legal's edits to a proposed insurance membership

#### **COMPUTER UPGRADES**

I approved the memory for the two front desk computers to be upgraded. This will cost about \$456 to be installed. This was recommended after we were having issues with the performance of the entry desk computers.

### WEEK ENDING NOVEMBER 10:

#### MAINTENANCE CLOSURE

On Tuesday, November 7, 2023 a smell was reported by staff that would appear on and off throughout the day. We originally thought it might be some buckets of stored chemicals. Later in the day, the smell came back and it was much stronger during the girls swim practice. Staff worked with the coach to end the practice and evacuate the building. Puget Sound Energy came out to check for a gas leak, and the backroom CO monitor was moved to the pool deck. The CO monitor showed that the CO levels were 10 ppm (see chart below) when the pool was closed and a high of just below 30 ppm after the closure. All is within acceptable limits. Staff contacted MacMiller who sent a tech out Tuesday evening that arrived around 8pm and stayed until 9pm. The technician stated the CO levels were minimal, so it was decided to leave it on overnight, and an air handler expert would come in the next morning. MacMiller came out on Wednesday morning, and it was determined that it would be best to not re-open and wait for a boiler expert. Staff determined that we would make an update in the early afternoon after the depth of the problem was determined.

On Tuesday it was determined that MacMiller would need to take the boiler unit apart to find the source of the leak. This would require 1.5 days of labor. It was decided at this time that we would be closed until Friday and send out an update after MacMiller has had time to ascertain the repairs needed.

On Thursday MacMiller completed their testing, and it was determined the repair was not needed and no cracks were detected. We are reheating the pool and will re-open on Saturday. We will send an email notification out tomorrow (Friday) morning.

Finally, thank you to staff for noticing this and staying on top of this. Emmitt and Quentin worked 13 hours on Tuesday to work with contractors to solve the problem and came in early on Wednesday.

### AGENDA ITEMS SUMMARY SHEET

Agenda Item #: 7a Assigned to: Legal

Meeting Date: 11/14/2023

### **Under**: Executive Session Business

Attachment: None

**Subject:** HSD Lease Extension

### Background/Summary:

At the January 18, 2022, regular meeting, the board of commissioners directed the District General Manager to reach out to the Highline School District about the lease extension, which a letter to renew was due by April 30, 2022.

At the March 15 regular meeting, the board directed the District GM to send a letter to extend the Mount Rainier Pool lease. This letter was sent and confirmed to be received from the Highline School District before the deadline. The District General Manager and Highline School District have met and will continue to meet on the lease extension.

Since this is a contract negotiation, the District GM is notifying the board of progress, but no proposed agreement will be presented. This is to ensure the District GM negotiations reflect the direction of the board.

At the July 19 Regular Board Meeting, it was requested that all board members make comments and edits by August 2, 2022. The District GM met with the Capital and Contracts Committee on August 3 to go over all edits for recommendations to the full board. The board will go over the proposed edits at the meeting to go back to the school district for negotiations.

UPDATE: A certified (mail) response was mailed on Tuesday, August 29. At the time this packet was sent out, we have received no formal response.

At the time of sending this agenda packet, the district has not received a formal response from the school district on the lease.

### Third Quarter (Q3) 2023 Financial Status Report DES MOINES POOL M.P.D./ MOUNT RAINIER POOL November 14, 2023

July 1 – September 30, 2023, Financial Activity reports –have been reviewed, reconciled, and adjusted to reflect all activity of the district that has flowed through the King County Treasurer's office. The report represents the third quarter results for fiscal year 2023.

The General Fund records all of the activities of the district and the district has a separate Capital Reserve Fund. All of the financial transactions of the district are recorded within General Fund and the balance will fluctuate from month to month, while the reserve account receives its funds on an annual basis in keeping with the districts goal to build up the fund balance for future capital projects.

The balances in each of these funds on September 30, 2023, are:

- General Fund \$1,079,270.70
- Capital Reserve <u>\$ 525,000.00</u>
- Total Available Funds \$1,604,290.70

The cash flow chart and associated data has been developed to focus on the activity of the "General Fund", but the combined cash balance reflects the total of both the general fund and the reserve fund. This is just before the first major draw of property taxes that will occur during the second quarter (July-September).

The third quarter analysis is an affirmation of expenditures being on target to be lower than projections and a verification of ending fund balances for the previous fiscal period.

#### REVENUES

Revenues of the district fall within five categories as reflected in the following chart:

	Budget	YTD	%*
Beginning Balance	\$900,000	\$1,352,022.27	150%
Taxes	\$1,295,380	\$607,048.30	47%
Charges for Service	\$25,000	\$25,000.00	100%
Interest	\$15,000	\$35,684.14	238%
Grant (Capital)-NEW!*	\$100,000	\$0.00	0%
Over the Counter**	\$200,000	\$94,987.92	48%
Transfer from Reserves***	\$75,000	\$0.00	0%

\*75% target through September.

\*

\*Estimate billing for grant in Q4 of 2023.

\*\*Behind on billings for swim team, grant, and other revenues. See section below. \*\*\*\*Transfers to reserves are made at the final board meeting of each year.

The primary revenue source for the District is the collection of property taxes. The majority of property tax is collected in April/May and then again in October/November. The second quarter results reflect this cash flow cycle with the exception of the beginning fund balance.

The district is behind on collecting revenues for over the counter. The following are revenues the district should collect in quarter three that would normally be included in this report.

٠	Swim Team Charges	\$59,000.00
٠	DMLF Grant for Staff Certifications	\$7,300.00
٠	KCYAS/DMLF Swim Lesson Grant	\$24,999.00*
٠	RETT Physical Therapy	Unknown at this time.
•	KCYAS Swim Lesson Grant	\$5,000.00
	Totals	\$96,299.00

If we had received these grants for services, the cost recovery for over the counter would be 95.6% at this time. We should be on schedule to meet our revenue goals by the end of the year.

We will also be eligible to receive another \$100,000 of reimbursements for our aquatic feasibility study/conditions assessment. These monies should help replete the general and capital reserve funds. A motion will be made in December to balance these accounts.

The Expenditure report for September 30 reflects the activities of the district, which have been segregated into categories. I have summarized the budget appropriations for each function to allow you to analyze the activities separate from one another.

	Budget	YTD	%	
Administration	\$333,587.60	\$226,858.71	68.01%	
Administration	\$1,405,502.40	\$782,190.01	55.65%	
Capital Reserve* \$159,500.00		\$87,159.94	54.65%	
Transfer to Reserves** \$75,000.00		\$0.00	0%	
Totals	\$1,935,380	\$721,330.08	55.45 (75% Target)	

\*Capital Reserve expenditures have \$100k covered by an Aquatic Facilities Grant that should cover almost all of the current fees.

\*\*Transfers to reserves are made at the last regular board meeting of each year. Currently, \$75,000 plus unused maintenance fees will be transferred.

Each of these categories has individual line-item allocations via the annual budget process. The monthly expenditure reports reflect the line-item detail. The year-to-date totals for administration and pool facility operations are within the budget expectation of 75% for the third quarter. Variances include continued usage of the district offices past budgeted amount, the effects of inflation on utilities and other services, and increased programming to meet grant generated revenue needs. We are working to adjust these totals in future reports.

The total expenditures for the District as of September 30, 2023, are at 55.45% of budget. This is well under the anticipated level of 75%.

The next quarterly report will be presented to the board at its February 2024 meeting for the fourth quarter (Q4) of 2023 (October 1 through December 31).

Agenda Item #: 9a Assigned to: District GM

**Subject:** Vision Payroll Agreement (First Touch)

#### Background/Summary:

The district has been using VisionMS for its financial management software and Heartland for its Payroll services. The district has paid for both processes and have to transfer information from one system payroll to the financial system. With the recommended change, all information will be integrated.

The district did explore this process before, but VisionMS had an annual charge per employee. This works for most municipal governments with fixed employees/positions, but the DMPMPD has many part-time, transitional employees. This made the original estimate very expensive. VisionMS has since changed their fee structure to make the annual fee less expensive minus the first year's setup fees.

Overall, this should save the district by eliminating the need to transfer information from one program to another and eliminate the chances for data entry errors.

The District GM will have legal review the agreement and have a financial breakdown of the two choices at the December 12 meeting, but wanted to make the board aware of the process, and any other information they would request for the decision.

**Subject:** FitOn Health Insurance Membership Agreement (First Touch)

#### Background/Summary:

The district currently has three insurance programs: Tivity, ASH and Optum. The insurance memberships usually pay \$2.50-\$3/visit and are up to 10 visits per month. Payments usually require the district to bill the insurance company. There are 172 people registered over the three programs with ¼ of them actively attending. The programs that insurance members use are water walking, lap swimming and water exercise with most people attending water exercise.

FitOn Health would start in January 2024. It would pay \$3.50/visit (70% of non-resident daily adult) and there would be no reporting from the district. FitOn Health would email the District when a patron would use the facility and pay from the visits. The only tracking would be needed to make sure they are paying for the visits they utilize, and the district would have emails to confirm.

There should be a review of insurance memberships in the future, but this is a better deal for the district than the rest of the programs. District legal and staff are currently negotiating agreement, but we wanted to present this as a first touch, since the programs goes live on January 1, 2024.

#### Wellness Partner Participation Terms and Conditions

Updated: 08/22/2023

Peerfit Inc. dba FitOn Health ("FitOn Health") has developed an online resource for fitness, including researching and locating a health and fitness club and purchasing fitness classes and/or memberships (the "Service"). Wellness Partner is a fitness club and would like to become a participating wellness partner on the Service. By registering on the Service as a participating wellness partner and executing a Facility Partnership Agreement (the "Agreement") with FitOn Health, Wellness Partner hereby agrees to the terms and conditions set forth below (these "Terms").

#### **1. Wellness Partner Participation.**

1.1. Wellness Partner hereby agrees to be a participating wellness partner on the Service and to permit FitOn Health to list Wellness Partner on the Service. Wellness Partner agrees to provide FitOn Health with all reasonably necessary wellness partner information to register a Wellness Partner account on the Service, and to list Wellness Partner as a participating wellness partner on the Service ("Wellness Partner Content") as may be requested by FitOn Health, and other information as may be necessary for FitOn Health to complete its Wellness Partner profile page on the Service. Wellness Partner shall provide updates to such Wellness Partner Content through the Service so that it is accurate, complete and up to date for FitOn Health's end-users of the Service. As part of the registration, Wellness Partner will provide its contact email address to FitOn Health and agrees that all required legal and other notices may be sent to such email address as effective notice, Wellness Partner agrees that it will be responsible for maintaining the confidentiality of its account and all associated end-user information, including usernames and passwords. Wellness Partner will immediately notify FitOn Health in the event of any breach of security or unauthorized use of Wellness Partner's account and assist FitOn Health in identifying and remediating the scope of such unauthorized breach or use.

1.2. Wellness Partner hereby grants FitOn Health the <u>temporary</u> right and license to list Wellness Partner on the Service and to promote, market and sell Wellness Partner classes, memberships or levels of Wellness Partner access passes and benefits (each a "Wellness Partner Access") through the Service, including the right to use Wellness Partner's trademarks, service marks and logos and all Wellness Partner Content. Wellness Partner agrees that FitOn Health shall have the right to use, reproduce, edit, display and distribute Wellness Partner Content, including Wellness Partner trademarks, service marks and logos, as necessary for promotion and provision of the Service through multiple mediums, including but not limited to the Service, FitOn Health website(s), email campaigns, social media and other marketing channels, all as determined by FitOn Health <u>solely</u> while this Agreement is in effect.

1.3. As part of the registration process, Wellness Partner will identify the types of Wellness Partner Access, including classes, open gym access or temporary memberships, to be offered through the

Commented [BS1]: Is this acceptable? You would be waiving your right to mailed notices if we agree to this. Service for purchase by end-users. Wellness Partner agrees to allow FitOn Health end-users who purchase Wellness Partner Access through the Service to use Wellness Partner services and facilities for such Wellness Partner Access as it would a regular paying member and/or guest of Wellness Partner and at no additional charge to the end-user. Wellness Partner understands and agrees that this is a nonexclusive Service and that FitOn Health will have other facilities on the Service, including facilities that may be near or compete with Wellness Partner's site(s).

1.4. Wellness Partner shall provide to FitOn Health a phone number to receive calls and text message, and FitOn Health may communicate with Wellness Partner through calls, <u>or</u> emails, <u>as</u> FitOn Health and Wellness Partner agree from time to time,

1.5. Wellness Partner Access, and all services provided by Wellness Partner to FitOn Health endusers, shall be provided or arranged at gyms, fitness studios, specialized studios, community classes, digital streaming, or exercise centers by duly licensed, certified or otherwise authorized (as applicable) professionals in accordance with the requirements of applicable law.

1.6. Wellness Partner shall maintain in good standing at all times during the term of the Agreement any and all licenses, certificates and/or approvals required by applicable law (including but not limited to business licenses where applicable) for its performance under the Agreement. Wellness Partner shall be required to meet the applicable business, state and local licensing/certification requirements required by applicable law.

1.7. Wellness Partner represents and warrants that it is not and shall not become listed on a Preclusion List (as defined in 42 CFR §422.2 published by the Centers for Medicare and Medicaid Services or excluded from participation in the Medicare program pursuant to Section 1128 or Section 1128A of the Social Security Act. In the event Wellness Partner becomes so listed or excluded, FitOn Health may immediately terminate the Agreement, provide written notice to Wellness Partner of such termination, and provide Vendor notice of the right to appeal such termination. FitOn Health shall also have the right to terminate the Agreement, immediately upon written notice to Wellness Partner, in the event FitOn Health reasonably determines that there are material deficiencies in the professional competence, conduct or quality of services of Wellness Partner which adversely affects or could adversely affect the health or safety of FitOn Health members.

1.8. Wellness Partner shall maintain, during the term of the Agreement, commercial general liability insurance with commercially reasonable policy limits appropriate to the risk being insured, and to provide a certificate of such insurance to FitOn Health upon request. Such insurance must be provided by insurers licensed to do business in the state where Wellness Partner provides Wellness Partner Access, and who have obtained an A.M. Best financial strength rating of A- or better and are classified by A.M. Best as being of financial size category VIII or greater or through a government insurance pool authorized under Washington law.

1.9. Wellness Partner agrees to perform its duties under the Agreement in accordance with all administrative guidelines, including but not limited to applicable law.

2. Fees.

Deleted: or text messaging

Deleted: determines in its sole discretion

2.1 Wellness Partner shall not be obligated to pay any upfront listing fee for participation in the Service.

2.2 As part of the registration process and in consultation with FitOn Health, Wellness Partner shall set the rate(s) for each level of Wellness Partner Access that Wellness Partner wishes to make available through the Service. Such rates will be denominated on the Service as "FitOn Health Credits," and Wellness Partner shall be entitled to receive payment in the amounts specified in the Agreement. FitOn Health may sell and distribute the FitOn Health Credits to its end-users at prices to be determined by FitOn Health in its sole discretion. Any limitations or restrictions on Wellness Partner Access shall be set forth on Wellness Partner's profile page.

2.3 FitOn Health will pay Wellness Partner for Wellness Partner Access booked, activated or purchased, and not cancelled, by a FitOn Health end-user at Wellness Partner's facilities, unless otherwise agreed upon by both parties for special events, according to the FitOn Health Credits for such class. Within seven (7) days of the last day of each preceding month during the term of the Agreement, FitOn Health will provide a report of Wellness Partner Access bookings payable to Wellness Partner. Wellness Partner shall within five (5) business days from the receipt of that report submit any discrepancies on Wellness Partner Access payable. FitOn Health will submit an appropriate, correct statement and payment to Wellness Partner within thirty (30) days of the last day of the preceding month. FitOn Health may modify the amount payable for FitOn Health Credits at any time upon prior written notice to Wellness Partner; provided, however, that all Wellness Partner Access sold prior to such modification will be paid at the pre-modification rate, even if used after the date of such modification. If Wellness Partner does not accept the modified FitOn Health Credit rate, Wellness Partner may terminate the Agreement and its status as a Wellness Partner; provided however, that it shall honor all Wellness Partner Access sold to endusers prior to such termination. FitOn Health will reimburse Wellness Partner via direct deposit through Bill.com. Membership reimbursement amounts may be prorated based on each membership start date within a given month.

2.4 Wellness Partner will be reimbursed for a calendar month's membership (prorated as provided herein) if an end-user has incurred at least one visit in a calendar month. In an instance where an end-user has an active membership for a given calendar month, but does not visit Wellness Partner during such month, FitOn Health will reimburse Wellness Partner but terminate the membership for the following calendar month unless and until the end-user chooses to re-enroll in a membership with Wellness Partner. Notwithstanding the foregoing, in the event FitOn Health provides written notice to Wellness Partner that this paragraph is applicable to Wellness Partner, rather than FitOn Health generating reports of Wellness Partner Access bookings, Wellness Partner will provide FitOn Health a report within three days of the first day of each calendar month listing all active and inactive memberships with Wellness Partner which were booked through FitOn Health. FitOn Health will then remit payment, in accordance with the preceding paragraph, based on such report.

2.5 Wellness Partner agrees to retain and maintain during the term of the Agreement and for one (1) year following complete and accurate records related to its performance and compliance under the Agreement including these Terms. FitOn Health may, at its own expense during the term of the Agreement and for one (1) year following, audit all of Wellness Partner's records and systems,

Commented [BS2]: Do you want to limit what they can charge?

**Commented [SD3R2]:** The representative stated they would pay us 70% of what a non-resident adult was charged and change it to whatever the rate is updated to. This is not what they promised. Thank you for catching this.

Deleted: three Deleted: 3

Commented [BS4]: Is this acceptable?

**Commented [SD5R4]:** Not acceptable. This is different than the representative told me. I was told that they would send me notification when someone was going to visit, and there would be no reporting. At minimum, we would need 5 days, but I'd prefer 10 days (like two of our other plans.) This allows you to adjust to holidays and sometimes our staff does not get people's correct information which takes me a couple of days. Thanks for catching this as well as visit Wellness Partner's facilities during regular business hours, to confirm Wellness Partner's compliance with the Agreement. FitOn Health will provide Wellness Partner with at least ten (10) business days' written notice prior to conducting any audit or visit. Wellness Partner agrees to provide reasonable assistance and access to its records and systems for such audits. Any discrepancies identified in any audit will be promptly addressed by Wellness Partner, and FitOn Health may reasonably adjust billing or take other reasonable remedial actions with respect to such discrepancies. All information accessed or obtained during the course of any audit will be treated as confidential and will not be disclosed to third parties, except as required by law or as necessary to enforce the terms of the Agreement.

#### 3. Member Information.

Wellness Partner acknowledges and agrees that in providing the Service and selling Wellness Partner Access to end-users through the Service, FitOn Health will collect from such end-users certain personally identifiable information, such as name, email address, payment account and billing information, and provide certain personally identifiable information to Wellness Partner in connection with such end-user's participation. Wellness Partner agrees that it will use such information only as consented to by such end-users. Wellness Partner will not distribute or disclose end-user information to any third party without the expressed prior written consent of the end-user and will use such information only in accordance with the Agreement and applicable laws, rules and regulations. Provided, however, Wellness Partner may, in Wellnes Partner's sole discretion, disclose end-user information if such disclosure is required by Chapter 42.56 RCW, the Washington State Public Records Act.

#### 4. Intellectual Property.

4.1. Wellness Partner acknowledges and agrees that all rights in and to the Service, including without limitation, the website content (excluding Wellness Partner Content), look and feel, software underlying the Service and FitOn Health's trademarks, service marks and logo, shall remain the exclusive property of FitOn Health. Wellness Partner shall obtain no rights or license in or to the Service other than as set forth herein.

4.2. Wellness Partner shall retain all right, title and interest in and to Wellness Partner Content; provided, however, that FitOn Health shall have the nonexclusive, royalty-free, fully paid up right and license during the term of the Agreement to disclose and use Wellness Partner Content for the provision of the Service as set forth herein.

#### 5. Termination.

FitOn Health may terminate the Agreement immediately with or without cause upon providing <u>ninety (90) days' prior written</u> notice to Wellness Partner <u>of such termination</u>. Wellness Partner may terminate the Agreement with or without cause upon ninety (90) days' prior written notice by contacting FitOn Health via email at <u>network@fitonhealth.com</u> and completing a termination form. Upon any termination, Wellness Partner shall continue to honor all Wellness Partner Access booked and sold by FitOn Health through the date of termination, and FitOn Health shall obligated to pay for such Wellness Partner Access as set forth above. Upon any termination, FitOn Health

( Deleted: or

shall have the right to immediately remove or disable access to all Wellness Partner Content. The provisions of Sections 2.5 (for one year), 4, 5, 6.2, 6.3, 7 and 9 shall survive any expiration or termination of the Agreement. The Agreement will automatically renew on a monthly basis until either party terminates as specified in this Section 5.

#### 6. Warranties, Disclaimers and Limitations of Liability.

6.1. Wellness Partner represents and warrants that Wellness Partner Content is, and shall remain, complete, accurate and up-to-date and fairly represents Wellness Partner and Wellness Partner Access offerings, including Wellness Partner's location, physical spaces, features, competencies, capacity, equipment, instructors, classes, offerings and services. Wellness Partner shall provide all Wellness Partner services in accordance with all applicable laws, rules and regulations. Wellness Partner further represents and warrants that it owns or has sufficient rights in Wellness Partner Content to provide such Wellness Partner Content for use on the Service and to grant the rights to FitOn Health as set forth herein.

6.2. THE SERVICE AND ALL CONTENT AND INFORMATION INCLUDED IN OR AVAILABLE THROUGH THE FITON HEALTH WEBSITE OR SERVICE ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED. TO THE FULLEST EXTENT PERMITTED BY LAW, FITON HEALTH DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OF INTELLECTUAL PROPERTY. FITON HEALTH DOES NOT GUARANTEE AND DOES NOT PROMISE ANY SPECIFIC RESULTS FROM WELLNESS PARTNER'S PARTICIPATION IN THE SERVICE. FITON HEALTH DOES NOT WARRANT THAT THE SERVICE WILL BE ACCESSIBLE AT ALL TIMES OR IN ALL GEOGRAPHIC AREAS. THE SERVICE MAY BE UNAVAILABLE FROM TIME TO TIME FOR MAINTENANCE OR OTHER REASONS. WELLNESS PARTNER UNDERSTANDS AND AGREES THAT THE END-USERS PURCHASING WELLNESS PARTNER ACCESS HAVE NOT BEEN SCREENED OR QUALIFIED BY FITON HEALTH AND THAT FITON HEALTH SHALL NOT BE RESPONSIBLE OR LIABLE TO ANY EXTENT FOR ANY END-USER'S USE OF WELLNESS PARTNER ACCESS, INCLUDING WITHOUT LIMITATION FOR ANY PROPERTY LOSS OR DAMAGE, DEATH, OR PERSONAL INJURY.

6.3. EXCEPT IN JURISDICTIONS WHERE SUCH PROVISIONS ARE RESTRICTED AND EXCLUDING EACH PARTY'S INDEMNIFICATION OBLIGATIONS, UNDER NO CIRCUMSTANCES SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES INCLUDING, BUT NOT LIMITED TO, DAMAGES ATTRIBUTABLE TO ANY PERSONAL INJURY OR DEATH, LOSS OF DATA OR LOSS OF BUSINESS OR PROFITS, ARISING OUT OF WELLNESS PARTNER'S PARTICIPATION IN THE SERVICE OR THE USE OF, OR INABILITY OF ANY PERSON TO USE, THE SERVICE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

#### 7. Indemnification.

7.1. Wellness Partner agrees to indemnify, defend and hold FitOn Health harmless against and from any and all third-party losses, claims, damages or liabilities, joint or several, including reimbursement for reasonable legal expenses, to which FitOn Health may become subject as the result of Wellness Partner's breach of any of the obligations, covenants, warranties or representations under the Agreement including these terms, or for any action by an end-user relating to such end-user's use of Wellness Partner's facilities, or any Wellness Partner Access offered by Wellness Partner through the Service, including without limitation, any claims for personal injury or death.

7.2. FitOn Health agrees to indemnify, defend and hold Wellness Partner harmless against and from any and all third-party losses, claims, damages or liabilities, joint or several, including reimbursement for reasonable legal expenses, to which Wellness Partner may become subject as the result of FitOn Health's breach of any of FitOn Health's obligations, covenants, warranties or representations under this Agreement.

7.3. Pursuant to each of the indemnifications provided in Sections 7.1 and 7.2 of this Agreement, an indemnified shall promptly notify the indemnifying party of any indemnified claim; provided, however, that any delay in giving such notice shall not limit the obligations of the indemnifying party except to the extent that the indemnifying party is materially prejudiced by such delay. The indemnifying party shall have the right to take over and conduct the defense of the claim. The indemnified party shall cooperate with the indemnifying party in defense of the claim and shall have the right to participate at its own expense, in such defense. In defending or settling an indemnified claim, the indemnifying party may not, without the consent of the indemnified party, accept any liability, or make any admission on behalf of, the indemnified party.

#### 8. Medicare Provisions.

8.1. Wellness Partner shall undertake commercially reasonable efforts to continue to perform under these Terms and the Agreement for the benefit of Alignment Healthcare USA, LLC ("AHC"), in the event that FitOn Health dissolves or becomes insolvent, in accordance with the rates set forth in the Agreement, for the remainder of the then-current calendar year.

8.2. Wellness Partner shall not request, demand, require or seek directly or indirectly the transfer, discharge or removal of any FitOn Health end-user for reasons of such end-user's need for, or utilization of, the Services, except in accordance with the procedures established by AHC for such action, nor intentionally participate in or encourage any actions that a reasonable person would expect to create an adverse risk of disenrollment of end users from AHC. (For clarity, Wellness Partner will not turn away any end user because of their receipt of Medicare benefits, nor encourage end users to disenroll from AHC's benefits.)

8.3. Wellness Partner shall comply with the Medicare Marketing Guidelines.

8.4. Wellness Partner shall only seek compensation for Wellness Partner Access booked/obtained/paid for through the Service provided to FitOn Health end-users who are AHC members from FitOn Health (and/or AHC, in the event AHC becomes liable directly to Wellness Partner for Wellness Partner Access), and shall at no time bill, charge, collect a deposit from, or

8.5. Wellness Partner shall comply with all final determinations made by AHC or the applicable managed care organization or prepaid health plan contracted with AHC ("Contracted MCO"), as the case may be, through appeals and grievance procedures for resolving AHC member claims for benefits under the Medicare Advantage benefit plan and all other claims against AHC or Contracted MCO.

8.6. Wellness Partner and Wellness Partner's officers, agents, employees, contractors, and affiliates and their respective assignees or successors shall not directly or indirectly engage in conduct which may be reasonably interpreted as designed to persuade AHC members to disenroll from any Medicare Advantage benefit plan or discontinue their relationship with AHC or the Contracted MCO, as the case may be.

8.7. Provided that the end-user has adequate FitOn Health credits to cover Wellness Partner Access booked with Wellness Partner, Wellness Partner shall not refuse to provide such Wellness Partner Access, if applicable and in the event an end user is unable to pay the Member Cost-Sharing Payment at the time the end-user presents for such Wellness Partner Access, except as may be approved in advance by AHC. "Member Cost-Sharing Payment" means an amount that an AHC member is obligated to pay directly to Wellness Partner for a specific service in accordance with a Medicare Advantage benefit plan. Member Cost-Sharing Payment shall include payments commonly referred to as "coinsurance," "copayments," or "deductibles." Wellness Partner understands and agrees that AHC and FitOn Health do not currently provide for Member Cost-Sharing Payments as defined in this section.

Wellness Partner further agrees that FitOn Health may maintain or implement an end-user feedback system and that FitOn Health shall not be responsible or liable for any end-user feedback on the Service.

Agenda Item #: 9c

Assigned to: District GM

Meeting Date: <u>11/14/23</u>

Under: New Business

Attachment: Yes

Subject: Resolution 2023-09 Amendment to Budget Recommendation (first-touch)

#### Background/Summary:

The District GM (DGM) is recommending only transferring \$75,000 from the general fund to the capital reserve fund. This is due to the miscellaneous repairs being estimated to be overbudget due to critical and emergency repairs due to the age of the facility, including the boiler repair that is currently being estimated.

The Capital Reserve Fund is currently at \$525,000 and the \$75,000 allocation should bring it to the \$600,000 level.

This is a first touch item and will be on the agenda for the December 12 board meeting for approval. The board can direct the finance committee to meet with the District GM, if it wishes to make changes for the December 12 board meeting.

Subject: Stemper Funding Request (First Touch)

#### Background/Summary:

The district's architect for the feasibility study has request an additional \$20,000 on top of the original agreement. Their reasoning is attached, but it is mainly attributable to delays including the public records request. See attached memorandum for the architect's reasoning. They will also be sending their final billing soon that will complete the originally agreed project billing.

The District GM had discussions about the request and had discussed the upcoming request to the capital and contracts committee on November 6, but did not know any details.

The formal request was not received until the afternoon before the packet was sent out on November 9.

The District GM will create a report breakdown of the finances once the final fees are sent, along with a summary of the grant reimbursement for \$100,000 of the fees. This will be done at the December 12 board meeting, so the board has ample information to make a decision.

#### Fiscal Impact: \$20,000 of additional charges

**Proposed Motion:** First touch. No motion necessary.

#### RE: Mount Rainier Pool – Task Order 03 Additional Services Request 03: Comprehensive Assessment and Feasibility Study

#### Dear Scott:

The purpose of this letter is to request additional services for Parts 1 and 2 for work on Mount Rainier Pool based on our on-going discussions. The following is a sequence of events which will help explain the added level of effort required for creating this report:

- The original Basic Services fee proposal was approved in July 22, but the A/E Team was unable to perform the comprehensive site assessment until November 2022 due to a lack of existing record documents and as-builts. The A/E Team attended the site assessment with limited information at this time.
- We understand that you made repeated requests and meeting requests with Highline School District without success, and eventually was told to make a public records request with a lengthy wait period to obtain the record documents (mid to late January 2023)
- When we received the as-built documents in late January, the information received was not usable as the information provided was irrelevant to the project site with exception of 3 out of 30+ sheets.
- StemperAC then proceeded with continuing the assessment portion of the work, with some of the team requiring a second visit to gather what information was visible at Mount Rainier Pool. Ultimately, the A/E Team had to stop work due to lack of existing building information.
- A current land survey was also needed for the property in order for the civil engineer to make a thorough assessment of the site conditions and utilities as this was critical to the feasibility portion of the reporting. StemperAC acquired the land surveyor and a utility location company and commissioned a detailed land survey to be done in February 2023.
- StemperAC also proceeded with independent research to find as-built documents and drawings and were able to acquire additional information with the City of Des Moines archives. The drawings sets found provided the information needed by the mechanical and electrical engineers to move forward with the report writing.
- For Part 2, Feasibility Study, Stemper AC provided several extra renderings in the report and provided pre-design level information, which we felt would strengthen the visual and informational aspect of the report for future presentation to the public.
- There were two stop and start times which occurred in this project, and StemperAC revised the project schedule twice to accommodate the delays and re-start of the reports with the A/E Team. The original schedule for 2022 shows the final report submitted in May, but

delays pushed the final report to be completed in August 2023, and a Board presentation meeting occurred in early October 2023.

• Finally, because the original fee proposal was only a ROM, DMPMPD agreed that any added hours of work would be considered for add services: [Original proposal: We understand that if the Scope of Work described in Parts 1 and 2 of this study exceed these fee estimates or optional services are included, an add service request to complete the work will be acceptable to DMPMPD...]

The original fee proposal totaled: \$137,842. Stemper AC will be billing to 100% of this amount; however, the additional exceeded costs were higher than this contract amount. At this time, Stemper AC is requesting **\$20,000.00** in additional service fees for the circumstances indicated in this letter.

We sincerely appreciate your review and consideration of this request. Please do not hesitate to contact me should you have any questions or concerns, or require any additional information. Thank-you very much!

Sincerely,

Heldy 3

Under: Public Hearing

Attachment: Yes X No

Subject: 2024 Budget (Public Hearing)

#### Background/Summary:

The Budget and Levy Certification for 2024 are due on November 30, 2023.

For the budget we went over the budget at the October 24 meeting, which will set the levy at \$1,243,410 or an estimated levy rate at or around \$.20/1,000 (*Note-The levy rate may change when final Assessed Value for the District is set by King County in early 2024*). Overall, this is a decrease of \$51,970 (4%) from the 2024 budget. With record inflation/deflation and the effects of the labor market, the levy may fluctuate a little, but not enough to have an effect on the overall levy rate.

**Fiscal Impact**: See attached documents.

#### **Proposed Motion:**

#### ALL MOTIONS MOVED TO 10D AFTER PUBLIC COMMENT.

Motion 1: I move to approve the 2024 Budget of \$ 1,168,410.00 in General Fund and \$75,000 in Capital Reserve for the calendar year 2024.

Levy certifications will be made in item 10d Budget and Levy Certification Motions.

**Subject:** Budget and Levy Certification (Public Hearing)

#### Background/Summary:

The Budget and Levy Certification for 2024 are due on November 30, 2023.

For **Resolution 2023-07 Certifying Property Tax Levy and Adopting an Operating Budget** for the Fiscal Year Beginning January 1, 2024, the \$1,243,410, \$1,168,410 is for operations, while \$75,000 is set for capital. The District has also allocated \$75,000 for unforeseen maintenance. Any of the unused monies to maintain these issues can also be transferred to capital. This will be done at the end of 2024. There is also 4,681 in refunds (new construction) that will cover the total.

**Ordinance form 2152** is included with Resolution 2023-07 and will need to be signed by the President of the Board of Commissioners. It reflects the information that is included in the resolution but is required by King County.

For **Resolution 2023-08 Property Tax Increase/Decrease** is for increases to the levy from one year to the next. The levy rate has dropped around \$200 million from last year, the budget has been decreased \$51,970 (4%) to ensure the district is at the \$.20/1,000 level. As of October 26, the district's assessed value is being used to set the budget. This may change between now and when the final 2024 assessed value is set. This should have minimal effects on the levy certification.

**Resolution 2022-08 Substantial Need:** There is no need for a Substantial Need Resolutions since the levy amount is being reduced.

Finally, math for the levy certification is from the Assessed Value provided by the county dated October 26. This information was sent out on Monday, October 30 and is the most recent update before the agenda packet was processed and finalized on Thursday, November 9<sup>th</sup>. Des Moines Pool MPD assessed values (AV) are based on the boundaries of the City of Des Moines and will change between now and the start of 2024.

Fiscal Impact: See attached documents.
