You want your kids to be safe, active, and confident in the water—while spending more quality time together as a family. Swimming can feel expensive or intimidating. Many parents don't feel confident in the water themselves, or worry about keeping their kids safe. We're here to help families swim together, safely and affordably. Our \$2 Parent Rate makes it easy to jump in, no matter your background or swimming ability.

✓ **Pay just \$2 per parent when you swim with your child \***

✓ **Kids pay the regular daily admission**

✓ **Available during Family Swim, Open Swim, and Lap Swim**

*Instead of sitting on the sidelines, you'll be in the pool, with your kids, having fun and building lifelong skills together.*
