# **DES MOINES POOL METROPOLITAN PARK DISTRICT**

Date:	Monday, April 12, 2020
To:	District Board Commissioners
From:	Scott Deschenes, District General Manager
Subject:	March 12, 2021 to April 9, 2021 District General Manager Report

### Week Ending March 12, 2020

### PHASE 3

On Thursday, March 11, Governor Inslee announced Phase 3 would begin on March 22. Even though they announced that indoor facilities have 50% capacity, just a reminder that we will need to get direct regulations from the Water Recreation Facilities (WRF) section of the Department of Health (DOH). When we receive that direction, we will use it to plan how to implement and make an update. We hope to receive that information soon, but the last update took over a week to get information. See Seattle Times article for more information.

### **BOARD MEETING NEXT WEEK**

Just a reminder that our next board meeting will be Tuesday, March 16 at 7:00pm. Linda sent out the packet on Thursday, March 11 and it is posted on the Governance page of the website.

Monthly Board Meeting – March 16 Tue, Mar 16, 2021 7:00 PM – 9:00 PM (PDT)

Please join my meeting from your computer, tablet or smartphone.

### **ENGINEER OF RECORD**

I met with the architect and our legal in separate meetings this week. We hope to have an agreed contract soon. Brian will have changes next week. We will discuss amendments to the contract including projects, scope and NTE at the retreat.

We are also having a tour of the facility next week with Stemper.

### MAINTENANCE

- <u>Pulsar Acid Feeder</u> We are moving forward with replacing our current system of liquid chlorine with the acid feeder system. The estimate was well-within budget, will help with system performance and most importantly be safer. I have attached a fact sheet and benefits sheet to this email.
- <u>Roof Re-Patch</u> Quentin took a picture of the patched roof by the contractors the school district hired.

### WATERBELLS FOR WATER EXERCISE

Lauryne got some new weighted dumbbells for aquatic exercise. The women put a card together for her. See message below.

Dear Lauryne, our awesome water aerobics instructors, and all the life guards at Mt. Rainer Pool,

Thank you for requesting/ordering additional water weights so we have enough for everyone to have their just right size in water aerobics classes.

We recognize and appreciate each of your personal effort and your collective teamwork to make Mt. Rainier Pool a safe and welcoming environment.

You brighten our day when we come to Mt. Rainier Pool - thank you!

Sharon Anlan da vome Olg a hoth makingh Margared (Margae) synch

### SWIM MEETS/LESSONS

I messed up on the pool schedule for swim meets. I forgot that all were virtual meets, which means even away meets will require us to shut down the pool. This only affects one date, March 23, and the only program affected is swim lessons. We will be crediting patrons for this lesson towards future sessions.

The short seasons coupled with the more frequent virtual meets is making it difficult to continue lessons on Tuesday and Thursday afternoons. We are looking at options for April and through the end of the season.

### WCIA REVIEW

Just a reminder that the WCIA Review will be this Tuesday, March 16 at 10am. Eric and I will be attending. The review is on our waiver processes at the pool.

### **PUBLIC OUTREACH MEETING**

The public outreach meeting will be today (Friday, March 12) at 1pm. I will add information to next week's report on this meeting and updates may be made at our March 16 board meeting.

### **IN OFFICE**

I will be in the office on Tuesday, March 16 for WCIA Review(10am), Staff Meeting (11am) and Stemper Pool Tour (1pm). If you need anything, please let me know. I will be heading back to Sequim around 3pm to be able to host the board meeting that night.

### OFF

I will be off (out of office) on Monday, March 15. Please call my cellular or email me if you need anything that day.

### WRPA AQUATICS MEETING

Below is a summary given of the WRPA Aquatics Group meeting from Thursday, March 11.

- Mark (WRPA Aquatics Group President) has still been working with the DOH and working toward phase 3.
- There is a grey area as far as vaccines for "Lifeguard First Responders" for getting the vaccine. It sounds like everyone who has gone in to get them with a letter that says they are Lifeguard First responders has been able to get the vaccine.
- Classes for LGIT are open in Nashville for next month.
- Red Cross laid off 40% of their employees so there was a solid shortage for classes, but they are getting things picked up and starting to run courses again. They are also updating the babysitters training so that is exciting!
- Sounds like a lot of pools are opening up for summer which is really exciting!
- The skill builder will be on August 21<sup>st</sup> at the Snohomish Aquatics Center and is \$30 for the entire day.
- We have never had guards go to this and I am really pushing to send at least 5! That would be great.
- Pete DeQuincy (Lifeguarding Expert) is doing a one-hour training for our WRPA Group! So, I will be sure that we attend that.

### WEBINARS

• <u>Intentionality in Aquatics...,(NRPA Free Webinar)</u> - I participated in this free webinar through NRPA, which covered diversity.

 (Program Descriptions): Listen to our experts as they talk about the importance of approaching staffing, change management, and diversity with intention. This aquatics discussion will offer all professionals insight on how to approach your day with intention, even during today's fast-paced and ever-changing environment.

### BOARD MEETING WRAP-UP

- <u>Racial Demographics</u> I contacted Brian Snure as requested by the board. I also reached out to our Recreation Management Software, CivicRec. They are part of the CivicPlus government systems which also offer other government software. I am hoping that they will have a solution that is adequate for the board. If I do not get responses, I will email MRSC.
- <u>Phase 3</u> We met on Wednesday and Thursday on Phase 3. On Thursday, we received the updated information from Washington State Department of Health, Water Recreation Facilities. This information is only a DRAFT (attached) and could have further changes. We are working on updating systems and hope to put out an updated schedule and guidelines soon. Once we are sure all staff and partners are aware of changes, we will put the information out.
- <u>Minutes</u> Linda is completing a draft of the minutes and each of you should receive an email by early next week.
- <u>Unresolved Issues</u> The equity resolution, capital policy 555, WCIA compact, retreat and engineer of record will be pushed to April 20 agenda.

### **CAPITAL ASSET POLICY 555**

I have attached a word version of policy 555, Capital Asset Policy. Please use the "track changes" function on the document and make your suggested edits. Please have these edits to us no later than noon on <u>Tuesday, April 13</u>. Below is a video on how to use the track changes on Microsoft Word.

### SWIM LESSONS

Lauryne is working on swim lessons for April. It looks like we are going to have to move swim lessons to Saturdays. Pool staff are working on options to best balance staffing on this day. We will let you know more when we have a final plan.

### WCIA COMPACT/WAIVERS

I have sent all of the information to Brian on the waivers. We will probably meet in later March or early April on the switchover and prepare the materials for our next board meeting. After the meeting, we will need to train staff on processes, upload information to website and software. Finally, we will send an email notification out with updated information. We should have a better estimate of starting this process when we get closer to the board meeting on April 20.

We also found this year that WCIA has drastically cut their reimbursements on trainings. We had utilized this for a lot of the certifications and trainings need for a swimming pool and swim lessons. We are capped at \$140. This will affect our training budget this year.

### SWIM MEET

On March 16, 2021, we had our first swim meet of the year with Mount Rainier High School. Lauryne, staff and the MRHS swim coach worked together and it sounds like everything went well. March 23 will be the next virtual meet.

### **OPEN THE BOOKS (PUBLIC RECORDS REQUEST)**

We received a large public records request from Open the Books. If you remember this was mentioned in our OPMA/PRA training meeting. Linda sent out a response letter in when they would receive the information and legal sent out the following messaging, which we are following.

You are receiving this email as you are a recent or current client of this firm.

I became aware this morning that another round of public record requests have been issued by the company "American Transparency." They regular send requests for information regarding employees and the requests must be responded to under the Public Records Act. The request forwarded to me this morning was for "An electronic file (ie Excel, PDF, Word) of any and all employees including part-time, temporary, seasonal employees and elected officials for year of 2020 (fiscal or calendar year). Each employee record should contain the year of compensation, first name, middle initial, last name, hire date (mm-dd-yyyy), base salary amount, bonus amount, overtime amount, gross annual wages and position title."

All of the requested information is subject to disclosure, while you are not required to create records, preparation of an electronic file with the requested information is likely the simplest way to comply with this request. If you have specific questions about how to respond, please let me know.

The purpose of this email is to remind you of a new law RCW 42.56.250(12) that likely was not in existence the last time you received one of these requests. Under this statute if you receive a request for information located exclusively in payroll, personnel or training files (which I believe likely applies to this request) you are now required to notify all affected employees, the Union of any affected employees and the requestor of the requirements of RCW 42.56.250(12). Since many of you will likely respond to the request without first contacting me, I thought it would be helpful if I sent out a format that can be used to meet this new requirement. If you do not have represented employees, you can ignore the Union notice language. Otherwise, you should provide the attached notice to all employees or volunteers whose information is to be produced in response to the request and use the format to communicate with the requestor. Isn't it grand to be a public records custodian in Washington :)

Let me know if you have any questions, and thanks for being a client of the firm.

### MAINTENANCE

Two-years ago, we had budgeted money to replace the first aid sink in the offices, but staff felt the sink was in good shape. The sink, which is utilized by staff and some user groups is falling apart, so we are working to replace it with an affordable option. This will come out of the maintenance repairs budget.

### FIRST-RESPONDER LETTERS

Other jurisdictions are putting together letters for their lifeguards as first-responders to help them get vaccinated. We are going to copy a letter from another jurisdiction and hope to have it ready next week. This is important as many of the staff may have to rescue or perform CPR on a member of the community.

### TRAININGS

Quentin will have another lifeguard review class the weekend of April 10, and he is working to add another lifeguard training after that for potential new staff members. This is important for recruiting new staff members.

### RECRUITMENT

As discussed at the board meeting, we will be putting out recruitment through the colleges job networks, high school counselors, social media, craigslist and Washington Recreation and Parks Association. We hope to have information out next week. We are also working on improving the descriptions to better attract employees.

### **ENGINEER OF RECORD**

The main part of the agreement is complete. We are working with legal to finalize Exhibits for Scope of Services, Rates Table and Format of Invoices. We hope to have this formalized next week, so we can start moving forward for the May retreat.

### **PHASE 3 CHANGES**

On Monday, March 22, we finally received the formal updates for Phase 3 (Nothing like having materials before the changes). I have attached a copy of the presentation links below.

- https://www.doh.wa.gov/Portals/1/Documents/1600/coronavirus/WaterRecOccupancy.pdf

### **UPDATED SCHEDULE**

On Tuesday, March 23, we updated our schedule to take effect on Monday, March 29. Highlights include:

- No more appointments (except special hour on weekdays see email)
- Unlimited swimmers per lane
- Saturday swim lessons
- Water exercise maximum from 10 to 12

See link to email notification below.

http://createsend.com/t/d-59A58E2AA4DECA002540EF23F30FEDED

### Below are the email notification statistics.

We did have some concerns on swimmers not wanting to swim with others in their lane. We are working with staff to try to balance lap usage to accommodate these users when they are in the pool (if possible).

### WRPA AQUATICS MEETING

On Tuesday, March 23, the WRPA Aquatics Group had a meeting to discuss the changes for Phase 3 that came out the day before. The group went through both documents listed above and gave background on decisions and further clarification.

### SWIM LESSONS

Swim lessons are almost full. We have filled one spot of the adult lessons but will start promoting the class separately next week. Once the condensed school sport seasons are completed, we will work to grow the lessons. Also, Lauryne is also working on adding some private lessons.

### SWIM MEETS

We hosted one swim meet this week (Tuesday, March 23) and we will be hosting two meets next week, (Tuesday, March 30 and Thursday, April 1). We also discovered that MRHS has added a swim meet for Monday, April 12.

I saw a posting on Tuesday that Season 2 will begin on April 5. We have not received a formal schedule for the boys swim and dive teams, but will be ready for hosting practices that week.

### LIFEGUARDING CLASS

Quentin will be running a lifeguarding class April 16-18. Due to COVID-19, the limit will be five. Due to limits on staffing, we will focus on certifying people to only work at Mount Rainier Pool.

### MAINTENANCE

- <u>First Aid Cabinet</u> We are replacing the first aid cabinet in the office. I will send final pictures when it is complete.
- <u>Dryer</u> We are replacing the dryer for the pool. It will require an electrician to install the wiring.
- <u>Surplus Items</u> We will be moving additional items to storage next week. Our goal is to only keep items that are routinely used at the pool. All items that are used infrequently and surplus will be moved to storage. I will look at a window in Phase 4, where operations are slower to put items on surplus to free up space. This is the fourth phase of moving materials to storage.

### **MINUTES**

Linda sent out minutes this week for the March 2 and March 16 meetings.

### **STIPEND ADJUSTMENTS**

Linda also processed the stipend payments in this payroll. You can contact her if you have any questions.

### PUBLIC OUTREACH COMMITTEE

Our next Public Outreach Committee meeting is scheduled for Friday, April 2<sup>nd</sup> at 1:15pm. We will be performing a SWOT analysis on overall public outreach.

### **ENGINEER OF RECORD**

Next week, we should be finalizing the agreement. I am working with Stemper on preparing items for the May retreat. I had to find a seismic study completed before I worked at the District, but located it and sent it onto Stemper.

## Week Ending April 9, 2021

### PUBLIC OUTREACH MEETING

We had our second public outreach committee meeting on Friday, April 2. The committee performed a SWOT analysis of public outreach and is meeting in two weeks to develop goals. Our next meeting will be Friday, April 16. I will include the SWOT analysis in the April 20 regular meeting packet, if the board wishes to have a discussion.

### TECHNOLOGY

- <u>WCIA Cyber Survey</u> We completed our annual cyber security survey for 2021. We met all requirements that I know of.
- <u>Office WIFI</u> As in-person meetings loom in the future, I am having CMIT check our connections at the office. We are having issues with the connection that would make it difficult to have an online option for those who may not feel comfortable to meet in person.

### MAINTENANCE

 <u>Excess Items to Storage</u> – We finally moved an additional number of items from the pool to storage. Later this summer, we will develop a list to surplus at a future meeting. This should free up additional storage space. Please see section 7 of Capital Asset Policy 555 for more information on Disposal of Surplus Items. Quentin is also working at organization of the tools space. This will take some time with over forty years of tools.

 <u>Auto Notification Issues</u> – We are working with Sunbelt Controls to have them update our controls. Since Comcast changed our IP address, we have been receiving low temperature alerts. MacMiller cannot see any physical issues, so we are looking at the monitoring system and the specific sensor. They should be out next week.

### **CAPITAL ASSET POLICY 555**

I sent a previous email with a word version of Policy 555, Capital Assets. Please use the "track changes" function on the document and make your suggested edits. Please have these edits to us no later than noon on Tuesday, April 13. Below is a video on how to use the track changes on Microsoft Word.

### SWIM LESSONS

Lauryne is prepping swim lessons to start Saturday. She was able to increase the instructors from two to four with the new phase and have some private lessons. We now have the MRHS Boys Season, so we will start planning on scheduling for after the season is over.

### MRHS BOYS' SEASON

As you know, the normal high school season has been compressed to two, five-week seasons. The girls' swim season ends on Monday, April 12 and the boys' season starts the next day. The boys swim meets will be on:

Thursday, April 22 MR	HS Boys Meets	Closed 3:00-6:00pm
Thursday, April 29 MR	HS Boys Meets	Closed 3:00-6:00pm
Tuesday, May 4 MR	HS Boys Meets	Closed 3:00-6:00pm
Thursday, May 6 MR	HS Boys Meets	Closed 3:00-6:00pm
Tuesday, May 11 MR	HS Boys Meets	Closed 3:00-6:00pm
Thursday, May 13 MR	HS Boys Meets	Closed 3:00-6:00pm

beyond the staff that is participating on the teams.

### SCHEDULE UPDATE

On Monday, April 5, we had a staff meeting on the next schedule. After discussing patron feedback, MRHS swim schedule and staff availability due to the condensed high school seasons, we have decided to push back any schedule changes until after the boys' season is completed in May.

### SMAC

We are meeting next week with SMAC on Wednesday.

### **INSURANCE MEMBERSHIPS**

- <u>Visits</u>: We had 109 reported visits for Silver Sneakers and 137 for Silver and Fit. Silver and Fit continues to have more visits, even though it has less participants (24 to 16).
- <u>Request</u>: We had our first request to increase allowing pass usage for all water exercise classes. We are discussing how this will affect other paying users.
- <u>United Healthcare</u>: Next week, I am meeting with United Healthcare. They reached out to us about being added to their network. I had reached out to them after we had started our other programs but had not heard back until now.

### **2020 FINANCIAL REPORT**

Linda and I are working on the report for 2020. There are many changes this year, but we should have a draft to the finance committee soon. We will put the report on the April 20 for the first touch and the May 18 board meeting for approval. The deadline for the report is 150 days from the end of 2020 (which is usually right around the end of May).

### **CAMP KHAOS**

We read on Facebook that the City of Des Moines will not be having Camp KHAOS this summer. Lauryne is working on scheduling for the summer and are developing alternative community programming for their time slot.

### TRAININGS

We are working to get more staff trained to lead trainings for swim lesson instructor and lifeguard trainings. Hensen and Francisco will take the Water Safety Instructor trainings that will help us train more classes at our pool, and hopefully hire and train more people from the area. Any time we offer a training, it takes staff away from their hours of working at programming and lifeguarding. Also, there are a limited number of trainees per instructor. This will allow us to have more flexibility on offering more classes.

### WRPA VIRTUAL CONFERENCE

Washington Recreation and Parks Association (WRPA) will have its annual conference online on April 28 and 29. It has some interesting aquatics-related sessions. If you are interested in signing up, please let me know by next Friday, April 16 at noon. For more information, see link below. https://www.wrpatoday.org/2021-annual-conference

### FACEBOOK AND TWITTER PUBLIC RECORDS

We are working to update records keeping for our social media sites, Facebook and Twitter. We are working with legal and the state archivist to update processes to better meet public records best practices.

### **ENGINEER OF RECORD**

We have an agreement ready for the April 20 board meeting. We will present it along with task order #1 for a May retreat.

### WEBSITE GOVERNANCE PAGE

Now that we are a third of the way through 2021, I am going to move the 2020 meeting information and 2020 resolutions to their archive pages. I usually keep them posted through the first couple of months on the main governance page to make it easier for the public to find the information. Both archive pages are linked from the governance page.

MINUTES REGULAR MEETING

### CALL TO ORDER/ROLL CALL

President Young called the meeting to order at 7:00 p.m. Present were Commissioners Dusenbury, Kasnick, Stender, and Achziger; District General Manager Deschenes, and District Clerk Linda Ray.

**PLEDGE OF ALLEGIANCE** – Commissioner Kasnick led the flag salute.

### ADOPTION/MODIFICATIONS OF AGENDA

District General Manager Deschenes stated there was no need to discuss Item #7a under Executive Session; and that details of the employment contracts under Item #7b would need to be in Executive Session. With no further discussion, Commissioner Achziger moved to approve the agenda; Commissioner Dusenbury 2<sup>nd</sup>. Approved 5-0.

### ANNOUNCEMENTS, PROCLAMATIONS AND PRESENTATIONS

The District General Manager announced that the Commissioners had been underpaid since a stipend increase in 2018. The District Clerk explained that an error had been detected in the payroll software. The Commissioners will receive their retroactive pay at the end of March.

**PUBLIC COMMENT** – No public comments were received, and no one from the public phoned into the meeting.

### **CONSENT AGENDA**

Commissioner Achziger moved to approve the Consent Agenda including the vouchers and electronic transfer requests processed in February 2020 totaling \$87,790.73. Commissioner Stender 2<sup>nd</sup>. The motion passed 5-0.

### **EXECUTIVE SESSION**

An Executive Session was called at 7:05 p.m. pursuant to RCW 42.30.110(1)(g) to evaluate the qualifications of an applicant for public employment or to review the performance of a public employee. The Executive Session will last for 15 minutes and will conclude at 7:20 p.m.

The Executive Session ended at 7:18 p.m. and the meeting re-convened at 7:20 p.m.

### **OLD BUSINESS**

a. BLRB Billing and Closeout

No update was given.

### b. Aquatics Manager Agreement

President Young called for a motion to approve the Aquatics Manager employment agreement. Commissioner Kasnick moved to approve the Aquatics Manager contract with Lauryne Thurmond; Commissioner Dusenbury 2<sup>nd</sup>. Approved 5-0.

### c. Aquatic Coordinator Agreement

President Young called for a motion to approve the Aquatics Coordinator employment agreement. Commissioner Kasnick moved approve the Aquatics Coordinator contract with John Quentin Knox; Commissioner Dusenbury 2<sup>nd</sup>. Approved 5-0.

It was stated that the Clerk of the Board would enter an approval signature on each agreement via DocuSign.

### d. Colibri NW Contract

DGM Deschenes and the Outreach Committee met to discuss a new contract for advertising in City Scene and City Currents. The new publishing company is Colibri NW. It was agreed to publish half page ads instead of full pages for the Normandy Park City Scene which will save \$631 a year. The new total will be \$7,767/yr.

Commissioner Stender moved to approve the Clerk of the Board to sign the advertising contracts with Colibri NW for 2021 not to exceed \$7,800 a year; Commissioner Kasnick 2<sup>nd</sup>. Approved 5-0.

### e. Engineer of Record Update

The DGM met with Stemper Architects, the chosen Engineer of Record. Along with our Project Manager, Scott Romano, the DGM toured the pool facility with representatives from Stemper. The DGM is working with legal counsel to draft a preliminary agreement, define a scope of work and a "not to exceed" amount. Stemper would like to meet with the Board at the next retreat which will be scheduled for late April or early May.

The DGM shared facility reports done previously with them which included MacDonald Miller, McKinstry, and others.

When the contract is ready, the DGM will review it with the Capitals and Contracts Committee for ratification by the Board at a future meeting.

### f. Equity Resolution

Commissioner Achziger and DGM Deschenes discussed the resolution at the most recent Public Outreach Committee meeting. An area of concern was how to measure metrics so that the pool reflects correct demographics of the community. It was suggested by the committee that the pool staff pose questions to pool users , but the staff feels uncomfortable with this request. Due to the legality of requesting information with regard to ethnicity, the DGM will discuss options for obtaining the required information with legal counsel and report back to the Board. Until then, the Equity Resolution will remain on the agenda.

### g. Policy 555 – Capital Assets

At the OPMA training session, legal counsel, Brian Snure, discussed the legal requirement of having a unanimous vote from the Board before surplussing equipment and goods by the pool. Policy 555 was updated to include language that reflects disposition of property, transfer of surplus property to a government entity and definitions of how it should be declared.

President Young would like to give the Board members an opportunity to read the updated policy and asked to delay finalizing approval until the next regular board meeting.

The DGM will propose to the pool staff to update the pool equipment inventory and red tag anything that needs to be surplussed.

### Des Moines Pool Metropolitan Park District Meeting Minutes – 03/16/2021

### h. Re-Opening/Transition Update

DGM Deschenes presented the update. A presentation is on file.

Eight out of nine swim lesson sessions are filled. For ninth class, an adult swim lesson ws created to fill the timeslot. There were waitlists of up to 9 individuals. The Aquatic Manager is providing weekly updates to participants of parent/child lessons. Swim meets will necessitate rescheduling of some swim lessons during April and May. There are currently 26 classes.

The DGM showed a video made by the Aquatics Manager for parents of swim lesson participants.

Swim team and dive team practice for Mt. Rainier HS began on March 8<sup>th</sup>. SMAC will practice from 6:00 p.m. to 8 p.m. on Monday, Wednesday, and Friday, and from 8:00 a.m. to 11 a.m. on Saturday. When we are in Phase 3, that schedule will change.

Community programming is from 5:30 a.m. to 1:00 p.m. during the week. Water walking is in the evenings, with some swim lessons at 4:30 p.m. to 7:15 p.m. There are two sessions of lap swimming on Tuesdays and Thursdays from 6:00 p.m. to 8:15 p.m. in the evenings after the high school teams have left. Water exercise is on Tuesdays and Thursdays at 7:00 p.m., and lap swim and water walking on Saturday.

All swim meets are currently virtual which means there are more meets and teams will be charged for the meets.

It is expected that during Phase 3, spectators will be permitted to attend meets at 25% of capacity. We will review our processes to allow for safety if this occurs.

The pool has reached out to their vendor Aquatic Specialty to assist with systems maintenance. Sunbelt Controls provided updates so that the Aquatic Manager and the DGM will be able to monitor systems via phone.

Future program planning for the summer and fall are in process.

A question was asked about the current schedule for in-school learning. Commissioner Stender responded that elementary school is in session 4 days a week for 2-1/2 hours a day. There is a morning and an afternoon session. The schedule for Middle school has not been unannounced yet.

The Aquatics Manager has contacted Kamp Khaos for summer swim lessons to determine what their plans are. Directives from the State Department of Health will dictate programming.

It was suggested that using Peachjar at Mt. Rainier Pool will be a good communication tool for lessons and other programming.

### **NEW BUSINESS**

### a. WCIA Compact

The DGM met with the Board's WCIA representative, Commissioner Kasnick about the WCIA Compact. The goal this year is to streamline the waiver process. The COVID waiver and the photography waiver will be combined into the daily sign in roster which will create less work for the pool staff at the front desk.

### Des Moines Pool Metropolitan Park District Meeting Minutes – 03/16/2021

Tanya Crites, our rep at WCIA, recommends use of a "Sex Offender" notebook at the front desk which will be updated from the Washington State Patrol site and checked against the sign in sheet every day.

She also suggested posting "No Photographs" signage in the facility.

All changes will be presented at the next board meeting.

### b. April Retreat Scheduling

Earlier in the meeting, it was discussed the retreat should be scheduled in late April or early May to accommodate Stemper's ability to prepare to meet with the Board. A date will be decided upon at the April 20<sup>th</sup> meeting.

BLRB Architects 1250 Pacific Avenue #700 Tacoma, WA 98402

Dear Mr. DuCharme:

This message is in response to your recent billing sent on January 12, 2021. In representing the board, they feel your organization, BLRB was hired to perform a conditions assessment and to manage a project of improvements. There was a clear "not to exceed" established for \$94,242.25. For the project, the District has paid \$98,293, which is \$4,050.75 over the total amount.

The "not to exceed" language is clearly stated in the contract in two areas. At no time, did BLRB formally extend or modify the contract outside of these terms. Also, no estimates were given that showed the project would be near the additional charges.

- Per Section 4.1 of our agreement, "the District shall not be obligated to pay for such services or expenses unless the expense compensation has been negotiated between the parties prior to the performance of services or incurring the expense."
- Per Section 15.3 of our agreement, "Subsequent modifications or amendments to this agreement shall be in writing and shall be signed by the parties to this Agreement. Services to be performed by Consultant for District that are outside the Scope of Services under this agreement shall be performed pursuant to separately negotiated written agreements."

The District was also caught off-guard when an additional \$96,696.85 would need to be paid above the \$4,050.75 that the project was already above its "not to exceed" limit. The District could have better planned for this situation, if BLRB would have followed section 15.4 of the agreement, , "Month End Status. Architect shall provide an abbreviated status of the on-going task orders to the District Manager on a monthly basis." The District pushed for updated financial information but was told that it was coming later due to internal issues at BLRB.

All-in-all, the District feels wronged in the fact that a \$503,000 project became a \$1,114,887.84 and billing from BLRB doubled. The District also feels that many of the increased costs were due to negligence of the architect.

BLRB Architects February 10, 2021 Page 2

- BLRB was retained and paid to do a thorough analysis of the facility. Drain issues that violated the Virginia Graeme Baker Act were never detected,
- BLRB missed major inspections including the pool shell and caulking. Both were deemed by the architect to not be completed correctly potentially including, not priming of surfaces by contractor of both projects, not using the right materials and not following specifications,
- BLRB did not account for the spalling brick's effect on the ability to install the clerestory panels. The District did not learn about this fact until towards the end of the project,
- BLRB did not properly design the main joint to professional standards,
- and BLRB did not double-check with the shell manufacturer that led to increased cracking of the pool shell after drainage of the pool.

Outside of the increased fees for the project, the District has lost days of operation, lost revenue and incurred outside expenses. The District has lost an additional 300 days above the original estimate of 60 lost days (5x the original estimate). The District had to rebuild its staff from the prolonged closure. The District was finally able to get back to its original programming in March 2020, which was two and half years after the original project was supposed to end. In addition, the District conservatively estimates \$161,012 for the 300 days. The District also lost money on emptying and refilling the pool an additional two times, the cost of retraining staff and other future costs of dealing with this issue.

Finally, the District feels that both parties should agree to end this agreement, based on BLRB not providing documentation or written notification, not properly overseeing the work and a host of other items presented in this letter. We reject the billings #56057 for \$91,821.85 and #56058 for \$4,875, consider the project complete, and would like to begin close-out of this project immediately.

Sincerely,

Scott Deschenes District General Manager

#### CONSULTANT AGREEMENT

THIS AGREEMENT is made and entered into between Des Moines Pool Metropolitan Park District, a Washington State municipal corporation ("District") and Stemper Architecture Collaborative, providing professional services with offices at 4000 Delridge Way SW, Ste. 200 Seattle, WA 98106 ("Consultant").

- Scope of Services. District retains Consultant to perform the Services designated in EXHIBIT
   A "the Services" together with such other services as requested by District. All services
   provided shall be performed at the direction of District. Consultant agrees to use competent
   and experienced personnel to provide the services necessary to complete the Services in
   accordance with the agreed project schedule and in a competent and professional manner and
   to furnish or procure the use of incidental services, equipment, and facilities as necessary for
   the completion of the Services. District reserves the right to approve the primary personnel
   designated by Consultant to perform services under this Agreement. This Agreement is not
   intended to create a relationship in which District contracts exclusively with Consultant for
   similar or related services or in which the Consultant serves District as its sole client. District
   reserves the right to use the services of other Consultants for both general and specific projects
   at District's sole discretion.
- 2. <u>Term</u>. This Agreement shall be effective on March 22, 2021 and shall remain in effect until March 21, 2024. Provided, however, either party may terminate this Agreement at any time upon twenty (20) days written notice to the other party by certified mail, return receipt requested, to the other party's business office.
- 3. <u>Payment</u>. Payment for the Services and Deliverables referenced on **EXHIBIT A** shall be made as follows:
  - 3.1. <u>Cost of Services</u>. The total cost for all services, personnel, materials, supplies, and equipment used in performing the Services shall be as set forth in **EXHIBIT B** Should the Consultant either perform or propose to perform services or incur expenses to which it believes it should be entitled to compensation in excess of the stated limit either for the total or for one or more itemized tasks, District shall not be obligated to pay for such services or expenses unless the excess compensation has been negotiated between the parties prior to the performance of the services or incurring of the expenses.
  - 3.2. <u>Billing Procedures</u>. The Consultant shall submit invoices (including any applicable taxes itemized separately) for services rendered to District for approval and payment on a monthly basis. Payment shall be made within 30 days of receipt of the invoice following verification and approval of the invoice by District. Consultant shall submit complete documentation for the invoices in a form acceptable to District. The District shall pay such invoiced amounts within 45 days of receipt of approved invoices. The District may withhold payment on invoices that are not sufficiently detailed or supported by appropriate documentation and shall notify Consultant within 30 days of receipt of an invoice of the need for additional detail or documentation.

- 3.3. <u>Full Payment</u>. Payment provided in this section shall be full compensation for work performed, services rendered and for all materials, supplies, equipment and incidentals necessary to complete the work.
- 3.4. <u>Partial Payment</u>. If any Services covered by this Agreement are suspended or abandoned by District, the Consultant shall be paid for services performed prior to the date that written notification of abandonment is provided to Consultant; provided, however, such payment shall only be owing if Consultant performed such services in a professional and non-negligent manner consistent with the terms of this Agreement.
- 4. <u>Ownership of Documents</u>. Ownership of Documents created pursuant to this Agreement shall be determined as follows:
  - 4.1. Work Product. As a result of providing the Services to District, the Consultant will create certain instruments of professional services as a work for hire which will take the form of traditional project documents such as hard copy drawings, designs, mylars, specifications, renderings of surveys, survey data, and like items; these may also take the form of computer-ready data sets such as CAD, word processing, electronic spread sheets and/or databases; in addition, the Consultant's instruments of professional service may be represented in the form of computer programs, software and materials (except for preexisting intellectual property, all of the foregoing instruments of professional service collectively referred to as "Work Product"). District acknowledges this Work Product as instruments of professional service. However, such Work Product created solely under this Agreement shall become the property of District on payment in full of all monies due to the Consultant for such Work Product. District shall own all copyrights to such Work Product, and Consultant agrees to assign all ownership rights to such Work Product to District. The Consultant cannot guarantee the authenticity, integrity or completeness of Work Product supplied in electronic format ("Electronic Files"). District shall release, indemnify and hold the Consultant, its officers, employees, consultants and agents harmless from any claims, or damages arising from the use of Electronic Files. Electronic Files will not contain stamps or seals and are not to be used for any purpose other than that for which they were transmitted.
  - 4.2. <u>Work Product Modifications</u>. Upon its sole risk, District may make modification to the Work Product without the prior written authorization of the Consultant. District agrees to waive any claim against the Consultant arising from District's reuse or modification of any such Work Product.
  - 4.3. <u>Possession of Work Product</u>. The Consultant shall hold on District's behalf, original reproducible copies of all designs and as-built drawings for a period of three (3) years for the date of substantial completion. Computer-ready data shall be provided to District, if requested, on a data disk compatible with District's computer equipment and programs. Consultant may not use Work Product specifically developed for and paid for by District, for non-District projects, without the prior written authorization of District upon such terms and conditions imposed by District.

5. Indemnification. Consultant shall defend, indemnify and hold District, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees, arising out of or resulting from the acts, errors or omissions of the Consultant in performance of this Agreement, except for injuries and damages caused by the sole negligence of District. However, should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and the District, its officers, officials, employees, and volunteers, the Consultant's liability, including the duty and cost to defend, hereunder shall be only to the extent of the Consultant's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Consultant's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

#### 6. Insurance.

- 6.1. <u>Insurance Term.</u> The Consultant shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.
- 6.2. <u>No Limitation</u>. The Consultant's maintenance of insurance as required by the Agreement shall not be construed to limit the liability of the Consultant to the coverage provided by such insurance, or otherwise limit the District's recourse to any remedy available at law or in equity.
- 6.3. <u>Minimum Scope of Insurance.</u> The Consultant shall obtain insurance of the types and coverage described below:
  - 6.3.1. Automobile Liability insurance covering all owned, non-owned, hired and leased vehicles. Coverage shall be at least as broad as Insurance Services Office (ISO) form CA 00 01.
  - 6.3.2. Commercial General Liability insurance shall be at least as broad as ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, stop-gap independent contractors and personal injury and advertising injury. District shall be named as an additional insured under the Consultant's Commercial General Liability insurance policy with respect to the work performed for District using an additional insured endorsement at least as broad as ISO endorsement form CG 20 26.
  - 6.3.3. Workers' Compensation coverage as required by the Industrial Insurance laws of the State of Washington.
  - 6.3.4. Professional Liability insurance appropriate to the Consultants' profession.

- 6.4. <u>Minimum Amounts of Insurance</u>. The Consultant shall maintain the following insurance limits:
  - 6.4.1. Automobile Liability insurance with a minimum combined single limit for bodily injury and property damage of \$1,000,000 per accident.
  - 6.4.2. Commercial General Liability insurance shall be written with limits no less than \$2,000,000 each occurrence, \$2,000,000 general aggregate.
  - 6.4.3. Professional Liability insurance shall be written with limits no less than \$1,000,000 per claim and \$1,000,000 policy aggregate limit.
- 6.5. <u>Other Insurance Provisions.</u> The Consultant's Automobile Liability and Commercial General Liability insurance policies are to contain, or be endorsed to contain, that they shall be primary insurance as respect District. Any insurance, self-insurance, or self-insured pool coverage maintained by District shall be excess of the Consultant's insurance and shall not contribute with it.
- 6.6. <u>Acceptability of Insurers.</u> Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII.
- 6.7. <u>Verification of Coverage</u>. The Consultant shall furnish District with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the Agreement before commencement of the work.
- 6.8. <u>Notice of Cancellation</u>. The Consultant shall provide District with written notice of any policy cancellation within two business days of their receipt of such notice.
- 6.9. <u>Failure to Maintain Insurance.</u> Failure on the part of the Consultant to maintain the insurance as required shall constitute a material breach of contract, upon which District may, after giving five business day notice to the Consultant to correct the breach, immediately terminate the Agreement or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, with any sums so expended to be repaid to District on demand, or at the sole discretion of District, offset against funds due the Consultant from District.
- 6.10. <u>District Full Availability of Consultant Limits.</u> If the Consultant maintains higher insurance limits than the minimums shown above, District shall be insured for the full available limits of Commercial General and Excess or Umbrella liability maintained by the Consultant, irrespective of whether such limits maintained by the Consultant are greater than those required by this Agreement or whether any certificate of insurance furnished to District evidences limits of liability lower than those maintained by the Consultant.
- 7. <u>Conflicts of Interest</u>. Consultant agrees not to perform similar services for private parties on projects within District if the performance of such services conflict in any way with the Consultant's performance of the Services for District.

- 8. <u>Warranty</u>. Consultant agrees and warrants that the Services shall be performed with the care and skill ordinarily exercised by members of the profession practicing under similar conditions at the same time and same or similar locality. When the findings and recommendations of Consultant are based upon information supplied by District and others, Consultant is entitled to rely on such information.
- 9. <u>Independent Contractor</u>. The Consultant and District agree the Consultant is an independent contractor with respect to the Services. Nothing in this Agreement shall be considered to create the relationship of employer or employee between the parties hereto. Neither the Consultant nor any employee of the Consultant shall be entitled to any benefits accorded to District employees by virtue of the Services provided under this Agreement. District shall not be responsible for withholding or otherwise deducting federal income tax or social security, or for contributing to the State Industrial Insurance program, or for otherwise assuming the duties of an employer with respect to the Consultant or any employee of the Consultant.
- 10. <u>Special Services</u>. Special services may be required in conjunction with the Services that are outside the professional expertise of Consultant. When, in the opinion of the Consultant, such expertise is required to complete the Services, the Consultant shall so advise District. District may directly obtain such special professional expertise and pay the cost thereof or, District, at its sole discretion, may direct Consultant to retain such special expertise and pay the cost thereof, subject to reimbursement by District plus ten percent (10%) for administration, taxes and insurance.
- 11. <u>Compliance With Laws</u>. The Consultant shall, in performing the Services, faithfully observe and comply with all federal, state and local laws, ordinances and regulations, applicable to the Services.
- 12. <u>Assignment of Contract/Subcontractors</u>. Consultant shall not assign this contract or assign or subcontract all or any portion of the work of any Services without prior District approval.
- 13. Dispute Resolution.
  - 13.1. If the parties are unable to resolve a dispute regarding this Agreement through negotiation, either party may demand mediation through a process to be mutually agreed to in good faith between the parties within 30 days. The parties shall share equally the costs of mediation and each party shall be responsible for their own costs in preparation and participation in the mediation, including expert witness fees and reasonable attorney's fees.
  - 13.2. If a mediation process cannot be agreed upon or if the mediation fails to resolve the dispute then, within 30 calendar days, either party may submit the dispute to arbitration according to the procedures of the Superior Court Rules for Mandatory Arbitration, including the Local Mandatory Arbitration Rules of the County in which the District is located, as amended, unless the parties agree in writing to an alternative dispute resolution process. The arbitration shall be before a disinterested arbitrator selected pursuant to the Mandatory Arbitration Rules with both parties sharing equally in the cost of the arbitrator. The location of the arbitration shall be mutually agreed or established

by the assigned Arbitrator, and the laws of Washington will govern its proceedings. The prevailing party in the arbitration, shall be entitled to its reasonable attorney fees and costs including expert witness fees.

- 13.3. Following the arbitrator's issuance of a ruling/award, either party shall have 30 calendar days from the date of the ruling/award to file and serve a demand for a bench trial de novo in the Superior Court of the County in which the District is located. The court shall determine all questions of law and fact without empaneling a jury for any purpose. If the party demanding the trial de novo does not improve its position from the arbitrator's ruling/award following a final judgment, that party shall pay all costs, expenses and attorney fees to the other party, including all costs, attorney fees and expenses associated with any appeals.
- 13.4. Unless otherwise agreed in writing, this dispute resolution process shall be the sole, exclusive and final remedy to or for either party for any dispute regarding this Agreement, and its interpretation, application or breach, regardless of whether the dispute is based in contract, tort, any violation of federal law, state statute or local ordinance or for any breach of administrative rule or regulation and regardless of the amount or type of relief demanded.

#### 14. Miscellaneous.

- 14.1. <u>Entire Agreement</u>. This Agreement, and its attachments, contains the entire understanding between District and Consultant relating to the Services. Any prior or contemporaneous agreements, promises, negotiations or representations not expressly set forth herein, are of no force or effect. Subsequent modifications or amendments to this Agreement shall be in writing and shall be signed by the parties to this Agreement. Services to be performed by Consultant for District that are outside the scope of Services under this Agreement shall be performed pursuant to separately negotiated written agreements.
- 14.2. <u>Non-Waiver</u>. Waiver or forbearance by District of any provision of the Agreement or any time limitation provided for in this Agreement shall be limited to the single instance of waiver or forbearance and shall not constitute an agreement by District to waive or forbear in the future with respect to similar instances, nor shall any such waiver or forbearance constitute a waiver or forbearance with respect to any other provision of this Agreement.
- 14.3. <u>Law/Venue</u>. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Washington. Any litigation arising out of or in connection with this Agreement shall be filed and conducted in King County Superior Court.
- 14.4. <u>Savings Clause</u>. If any provision of this Agreement is declared invalid, illegal or incapable of being enforced by any court of competent jurisdiction, all of the remaining provisions of this Agreement shall continue in full force and effect, and no provisions shall be deemed to depend upon any other provision unless so expressed herein.

- 14.5. <u>Document Use</u>. Reuse of any such materials by District on any extension of this project or any other project without the written authorization of Consultant shall be at District's sole risk.
- 14.6. <u>Responsibility for Others.</u> Consultant shall be responsible to District for Consultant Services and the services of Consultant subcontractors. Consultant shall not be responsible for the acts or omissions of other parties engaged by District nor for their construction means, methods, techniques, sequences, or procedures, or their health and safety precautions and programs.
- 14.7. <u>Consequential Damages</u>. Neither Party shall be liable to the other for consequential damages, including, without limitation, loss of use or loss of profits, incurred by one another or their subsidiaries or successors, regardless of whether such damages are caused by breach of contract, willful misconduct, negligent act or omission, or other wrongful act of either of them.

#### EXHIBIT A SCOPE OF SERVICES

1.1 General Services. Certain matters requiring engineering services are a routine order of business for the District and occur on a regular basis; these include consultation and meeting with District officials and staff "General Services." The Consultant will be available to the District to provide such General Services, consultation and advice, and assist in the work of the District. The Consultant will provide such General Services upon written or verbal direction of an authorized representative of the District, and will confirm verbal requests from the District in writing prior to providing such General Services.

#### **1.2 Project Services**

- 1.2.1 From time to time the District will undertake projects requiring study and report preparation, or design services and/or construction related services or some combination of such services "Project Services." The Consultant will have the option to perform the Project Services on all District projects within Consultant's area of professional competence and which Consultant can reasonably expect to accomplish in fulfillment of the District's needs in view of Consultant's other contractual obligations. Project Services provided under this section will be authorized by written Work Orders describing the negotiated project, scope of work, cost of services and schedule as approved by the District and Consultant.
- 1.2.2 If the District is unable to negotiate a satisfactory written Work Order with the Consultant, the District may select other firms with which to negotiate for services.
- 1.2.3 In performing Project Services under this section, the Consultant will advise the District of the need or the District may independently determine a need to obtain services from others to provide the expertise to perform work outside the Consultant's usual area of practice. If authorized by the District, the Consultant may obtain services from others which shall be paid for by the District.

#### EXHIBIT B COMPENSATION

These hourly rates include in-house office expenses, photocopying, and other incidental items. Mileage will be reimbursed at the current standard IRS rate. Outside expenses will be billed at cost plus 10%.

# Background/Summary:

At the Regular Board Meeting on July 21, 2020, the District's Board of Commissioners directed the District General Manager to develop a Resolution to acknowledge racism for the August 18 board meeting.

The District General Manager did research and came up with a resolution presented by Tacoma Metro Parks. The District General Manager is working with Commissioner Achziger to develop a resolution.

Update 11/12/2020: With the Budget Process having unforeseen changes and effects of COVID-19, I am pushing this item to the December agenda.

Update 2/16/2021: Commissioner Achziger will talk about his conversations with Highline College.

# DES MOINES POOL METROPOLITAN PARK DISTRICT

# **RESOLUTION NO. 2020-08**

# A RESOLUTION OF THE BOARD OF COMMISSIONERS OF DES MOINES METROPOLITAN PARK DISTRICT ACKNOWLEDGING RACISM WITHIN PUBLIC POOLS AND DIRECTING THE AGENCY TO TAKE SPECIFIC ACTIONS

**WHEREAS,** The American Public Health Association (APHA) defines racism as a system of structuring opportunity and assigning value based on the social interpretation of how individuals perceive and unfairly disadvantage some individuals and communities, and unfairly advantage other individuals and communities; and

**WHEREAS,** structures of racism built into our pools, parks and recreation, education, employment, real estate, healthcare, and criminal justice systems have resulted in persistent negative and disproportional effects on Black/African American and other people of color; and

**WHEREAS,** Dorceta E. Taylor acknowledges in The Rise of the American Conservation Movement: Power, Privilege, and Environmental Protection, that the history of parks, recreation and outdoor engagement (including swimming pools) has a long history of white urban elite power and privilege; and

**WHEREAS,** Professor Jeff Wiltse points out in his book "Contested Waters: A Social History of Swimming Pools in America" that 58% of Black/African-American children cannot swim and drown at three times the overall rate due to structural racism at pools over the last century; and

**WHERE** a 2015 US Census Report states "around the time the 2020 Census is conducted, more than half of the nation's children are expected to be part of a minority race or ethnic group" and the U.S. population as a whole is expected to follow a similar trend by 2044; and

**WHEREAS**, parks and recreation services, which include pools, offer opportunity to advance racial equity and undue racist policies that shape access, neighborhood development, and health outcomes; and

**WHEREAS,** the National Recreation and Park Association, as a part of the National Academies Committee on Community-Based Solutions to Promote Health Equity, reports that health inequities are in large part a result of structural racism along with other social determinants of health; and **WHEREAS,** according to the Center for Disease Control, Black/African Americans in America are 5.5 times more likely to drown than white children, ages 5-19; and

**WHEREAS,** unfair and race-based inequities will continue unless we undertake the uncomfortable but necessary work to reform the institutions and systems that perpetuate racism, violence, poverty, and injustice; and

**WHEREAS,** King County Council approved Resolution No. R2020-0240 declaring racism a public health crisis and endorsing the declarations of the King County executive, public health - Seattle & King County and the King County board of health; and

WHEREAS, USA Swimming is committed to a culture of inclusion and opportunity; and

**WHEREAS**, the Des Moines Pool Metropolitan Park District is committed to providing a safe and positive environment for all members of our community, regardless of race, gender, ethnicity, belief or economic circumstance; and

# NOW THEREFORE, BE IT RESOLVED:

The Des Moines Pool Metropolitan Park District Board of Commissioners declares racism is a public parks and recreation crisis and charges the District to:

- 1. Assess internal policies and procedures through Government Alliance on Race and Equity (G.A.R.E.) resources to address and reform structures and processes that contribute to race-based decisions and actions.
- 2. Reshape our discourse and agenda so we all actively engage in anti-racist work, particularly anti-black and minority racism.
- 3. Review our budget using G.A.R.E. resources and make recommendations for funding changes, allocations or re-allocations that fund the work of transforming systemic racism as a means of resolving disparities by changing the systems that cause them.
- 4. Partner with the community to co-create solutions.
- 5. Promote policy and system level changes within the District to move beyond equity only and undo racist structures.
- 6. Reimagine water safety and how it could be enhanced; convene conversations on how the agency has a role and can support promoting more people of color to swim.
- 7. Provide the Board and related committees the information they need to create policy to eliminate racism and illuminate any barriers and concerns in order to reconstitute power and social capital so all voices are heard in policy development.
- 8. Hire people throughout our organization, including those sitting next to us at the Board and management table, who reflect our community to interpret and implement policy to bring equitable culture shifts leading to inclusivity.
- 9. Work with community groups and organization of color to make them aware of how the District can work with them to better promote swimming in the community but encourage them to participate more in governance and guidance opportunities.

- 10. Redevelop our community-driven, equity-based budget process that redeploys resources to areas impacted by decades of underinvestment; and identifying programs and services needed to better serve marginalized and oppressed communities.
- 11. Ensure that our partners are providing services in an equitable manner to people of color, socioeconomically and serving a proportion of our community.

# Background/Summary:

At the March 2 Retreat, there was a determination made that 555 Capital Asset Policy needed to be updated to include a unanimous vote to include language that all commissioners must unanimously vote to surplus equipment.

With legal counsel's direction, district staff has added section 7 to 555 Capital Asset Policy (see attached).

March 16 Update: The board elected to push the item to the April 20 board meeting, so the board could read and edit the policy. The policy was emailed in two weekly reports and as a separate email with a deadline of April 13.

April 13 Update: Shane Young sent in comments, but we did not have any other edits or comments before sending out the packet.

Fiscal Impact: Not known at this time.

# 555 - Capital Asset Policy

## 1. PURPOSE

**1.1.** This policy is established to provide guidelines to ensure adequate stewardship over Des Moines Pool Metropolitan Park District (District) resources through control and accountability of capital assets, and to collect and maintain complete and accurate capital assets information required for preparation of financial statements in accordance with the WA State Auditor's Office (SAO) BARS guidance for cash basis reporting entities, also known as Other Comprehensive Basis of Accounting (OCBOA).

#### 2. DEFINITIONS

- 2.1. Fixed Assets. Fixed assets are tangible, non-consumable items including, but not limited to: land, buildings, machinery, equipment, and vehicles owned by the District valued at \$5,000 or more with a life expectancy of over one year. The value of the fixed asset includes the purchase price plus sales tax, as well as costs to acquire (shipping and handling), install (excluding site preparation costs), secure, and prepare an item for its intended use. The original purchase of a software program is considered a fixed asset if it meets the \$5,000 threshold established above. Improvements to an existing asset that extends the life of the asset by more than one year added to the capitalized value of the asset accounted for in accordance with BARS guidance for cash basis entities is considered a fixed asset.
- **2.2. Small & Attractive Assets.** Assets valued at less than \$5,000 that are defined as having a high risk for theft. These assets are not normally consumed within one year. These assets may include items in one or more of the following categories:
  - 2.2.1. Portable and marketable, either alone or as a component unit.
  - **2.2.2.** Assets that can be utilized for personal gain.
  - 2.2.3. Assets repeatedly reported as lost and/or stolen within the industry and society.

#### 3. CAPITALIZATION THRESHOLD

**3.1.** All assets with a cost of \$5,000 or more shall be tracked, monitored and evaluated for condition. Although *Small & Attractive Assets* (assets costing less than \$5,000) do not meet the District's capitalization threshold, they are considered assets for purposes of marking and identification, recordkeeping, and tracking.

## 4. IMPROVEMENT/REPAIR/MAINTENANCE EXPENSES

**4.1.** Routine repair and maintenance costs should be expensed as they are incurred and will not be capitalized. Major repairs will be recorded in accordance with Cash Basis - BARS requirements as a capital expenditure. if they result in betterments/improvements to the District's capital assets. To the extent that a project replaces the "old" part of a capital asset, outlays will be recorded as a repair or maintenance expense; and to the extent that the project is betterment/improvement, outlays will be recorded using the Cash Basis BARS manual capital expenditure code.

## 5. EXPECTED USEFUL LIFE OF ASSETS

**5.1.** The District should use the IRS Publication *946 Table of Class Lives and Recovery Periods* or as such publication is updated, modified, or amended, to determine the life of acquired assets.

## 6. TAGGING NEW ASSETS

- 6.1. All assets fitting descriptions of a fixed asset, small and attractive asset, and/or high-risk asset (other than infrastructure, vehicles, small tools, and computer components) should be recorded and identified with a tag as an asset reference number, serial, model, or other identifying number on the District Fixed Asset Log (Attachment A) maintained by the District General Manager or Board Designee and District Accountant. All assets that are surplus or traded-in should be removed from the fixed asset inventory and the tag listing. The disposition of the item is to be noted in the asset log.
- 6.2. Asset log shall be reviewed/updated annually for asset's condition, location and disposition
- 6.3. Asset should be labeled (tagged), identifying its owner as the District's and its asset reference number

## 7. DISPOSAL OF SURPLUS PROPERTY

Washington law does not address the disposal of surplus property by metropolitan park districts other than requiring unanimous consent of the Board of Commissioners to surplus property under RCW 35.61.132. The intergovernmental transfer of property is addressed in Chapter 39.33 RCW, entitled "Intergovernmental Disposition of Property", but this Chapter does not address the sale or other conveyance of surplus property to non-governmental entities. It is the purpose of this policy to establish procedures for the lawful disposal of District owned property that has been determined by staff to be of limited or no value to the District. It is also the purpose of this policy to allow for the flexible application of these guidelines for more efficient and cost effective dispositions of property where the strict application of the procedures would not be in the District's best interest.

In compliance with RCW 35.16.132, this policy and the procedures incorporated herein have been unanimously approved by the Board of Commissioners.

#### 7.1 Definitions

- a. *Property*. All equipment, material, fixtures, supplies and real estate owned by the District.
- b. Fair Market Value. The value of the Property that would be obtained through an arm's length transaction using a Commercially Reasonable Means of sale, or the value established by a formal third party appraisal.
- c. Commercially Reasonable Means. Process or procedures designed to obtain the highest value for surplus property which may include but are not limited to: public bidding procedures, consignment sales, sales through want ads, internet sites or other form of public notice, auctions, garage sales, sales through brokers, or privately negotiated sales provided that there is independent documentation that the private sale is for Fair Market Value.
- **7.2 Declaring Property Surplus**. The Board Commissioners, upon recommendation from staff shall determine which District Property serves no valid function for the present or future needs of the District. Such Property shall hereinafter be declared surplus to the needs of the District using the following procedures.
  - a. The Board, by the adoption of this policy, delegates to the General Manager or designee the decision to surplus any Property of the District with a Fair Market Value of under \$500.00. The General Manager or designee shall provide an annual report to the Board identifying all such surplus property.
  - b. For single items with a value in excess of \$500.00 the Board of Commissioners shall approve the decision to surplus such Property by Resolution.

## 7.3 Disposition of Property.

- a. Transfer of Surplus Property to a Non-Governmental Entity. If the sale or transfer of the surplus property is made to a non-governmental entity, the sale shall be made as follows:
- b. Estimated Value less than cost of disposal. When staff has determined that the cost of disposal exceeds the value of the Property, such determination should be documented in writing. The Property may then be disposed in any manner deemed suitable by staff.
- c. Estimated Value exceeds cost of disposal. Property shall be disposed of using Commercially Reasonable Means approved by the General Manager or Board of Commissioners.
- 7.4 Transfer of Surplus Property to a Governmental Entity. Pursuant to Chapter 39.33 RCW, surplus property may be sold, transferred, donated, exchanged, leased, or otherwise disposed of, to the State of Washington, any Washington State municipality, a political subdivision of Washington State, or a foreign governmental entity. Pursuant to RCW 39.33.010 and RCW 39.33.020, the transfer shall occur as follows:
  - a. Estimated Value is less than \$50,000.00. Property shall be transferred for Fair Market Value on such terms and conditions as are mutually agreeable between the governmental entities.
  - b. Transfer of Property Having an Estimated Value Greater Than \$50,000.00. Prior to conveying property having an estimated value of \$50,000 or more to a governmental entity, the District shall hold a public hearing to advise the public on the proposed terms of the transfer and thereafter solicit public input on the proposed transaction using the following procedures:
    - i. Notice of Public Hearing. Publish notice of the public hearing once in a newspaper of general circulation where the property is located at least 10 days but not greater than 25 days prior to the hearing.
    - ii. Contents of Hearing Notice. At a minimum, the hearing notice shall set forth the date, time, and place of the hearing. It shall also identify the property to be disposed of using a description easily understood by the public. Finally, if the property is real property, the

notice shall also describe the proposed use thereof by the receiving governmental entity.

- iii. Press Release. A press release pertaining to the hearing shall be disseminated among printed and electronic media in the area where the property is located.
- iv. Transfer Decision. At or after the conclusion of the public hearing, the District Commissioners shall determine whether to so transfer the property.

#### 7.5 Documentation of Sales.

Sales of equipment, vehicles or other personal property in excess of a value of \$500.00 shall be transferred pursuant to a Bill of Sale substantially in the form attached as Exhibit A (equipment) or Exhibit B (Vehicles). The Bill of Sale requirement may be waived in specific situations with the approval of legal counsel. An inventory of all surplus Property disposed of pursuant to this policy shall be maintained in accordance with the state record retention requirements.

#### 7.6 Annual Report

District staff shall present a surplus property report to the Board of Commissioners on an annual basis documenting the items that were declared surplus and the revenues generated by disposal of the surplus items.

## 8. LOST, STOLEN, OR MISSING PROPERTY

- 8.1. When suspected or known losses of capital assets or small and attractive items occur, staff should conduct
  - a search for the missing property. If the missing property is not found:
  - 8.1.1. Notify the District General Manager or Board Designee.
  - **8.1.2.** Have the person deemed to be primarily responsible for the asset, as well as that individual's supervisor, complete and sign a statement to include a description of events surrounding the disappearance of the property, who was notified of the loss, and steps taken to locate the property.
  - **8.1.3.** The District General Manager or Board Designee should report known or suspected losses of capital assets to the State Auditor's office in accordance with RCW 43.09.185, and a copy of the report should be provided to the Board.

Eric Kasnick Scott Deschenes Des Moines Pool Metropolitan Park District PO Box 98711 Des Moines, WA 98198

RE: 2021 Annual Review & Audit

Dear Eric and Scott:

This letter is a follow-up to our virtual meeting on March 16th to perform the 2021 Audit and Annual Review, as required by the WCIA Membership COMPACT. We met to review the Districts waivers, then to discuss the elements of the annual review. I'd like to express my appreciation to both of you for setting aside a portion of the day to meet with me.

# 2020 TARGETED RISK MANAGEMENT REVIEW – POOL FACILITY TOUR – IN COMPLIANCE

There were no mandatory requirements for follow-up in 2021.

# 2021 TARGETED RISK MANAGEMENT REVIEW – WAIVER REVIEW - RESULTS

I appreciate the good discussion during our review of the District's waivers for the various pool participant functions. Although we discussed some possible changes/updates to a few of the waivers, there are no mandatory requirements for follow-up in 2022.

# PROPERTY PROGRAM

DMPMPD is a member of the WCIA Property Program. Changes to your property schedule can be made in Origami through our website.

# COMPACT TRAINING AND FULL BOARD REQUIREMENTS

DMPMPD is required to have a total of three WCIA approved trainings for the year, including one the Delegate must attend. Scott's attendance at the board meeting and training satisfies one training requirement and full board attendance. Since Eric is the Delegate, he needs to attend one of the two remaining required trainings to meet the Delegate Attentiveness requirement.

# **REIMBURSEMENT PROGRAM**

As we discussed, our reimbursement program has changed for 2021. Each Member is allotted an amount equal to one percent of its 2021 liability assessment for reimbursements this year. DMPMPD may submit for \$146.00 in qualifying reimbursements.

# SUMMARY

This completes the summary of our recent virtual meeting. If there is any way that I can be of further service regarding the meeting or any other risk management concerns you may have, please let me know.

Sincerely,

Tanya

# Strengths (1)

- Marketing to older, white demographics.
- Location: Readily accessible to many.
- Campus has three levels of schools.
- Operationally we follow best practices.
- Still have a sense of historical perspective. (What do you sell people on? Opportunity?)
- Excel at school. (no benchwarmers)

## Weaknesses (1)

- Focus more on what our audience is.
- Better define what our audience is.
- Who do we define who are customers are vs. who we are targeting?Having lifeguard availability to offer programming to schools during
- the days.
- Remove old closed posts (and from website).

4

#### Weaknesses (2)

- Lack of full-time adult guards.
- Communication in Spanish. (Mktg Materials, Website, Forms)
- Website needs to be updated and more responsive

5

#### Opportunities (1)

- Collaborate wit HSD:
- to focus on using convenience of location.
- Collaborate with local parks and recreation departments.
   Camp KHAOS.
- Working with regional aquatics community to develop a south end facility.
- Maritime HS (Olympic View Site) to ensure their students know how to swim. SD Note- class.
- Russell Wilson and Ciara Academy get into curriculum and totally online program.
- Kent school district hybrid school

# Opportunities (2)

- Reach out to adult populations to teach them to swim, which will make them more likely to sign their children up for swim lessons.
- Preschool and COVID-19: approach MRHS program.
- Recruiting staff that speak other languages and more races of people.
- Offer free swim lessons. (Kaiser Permanente and Red Cross)
- Utilization of scholarships (do more with).

7

# Opportunities (3)

- Opportunity to change our message, less on safety on opportunity.
- "Recreational" swim team for community (free).
- Swimming on display with Olympics (huge impact of public
- perception). Work on messaging!
- PTSA's develop better working relationship with influencers. • Give free swim night.
- Developing positions to learn to swim.

8

#### Threats (1)

- Age of pool: pool that works and is reliable.
- Private clubs are opening more to (outdoor) public swim lessons.
- Don't adjust demographic trends we will be in trouble.
- Loss of sense of pride of voters in the District.
- Water temperature (or perception of).
