## 310 – Operating Hours and Holiday Closures

---

Full time employees have included in their benefits the closures listed above, excluding: If a closure falls on a weekend, the closest normal workday shall be declared a holiday for full-time employees.

### 3.0 SWIM MEETS

The Mount Rainier Pool is owned by the Highline School District. The Mount Rainier High School Swim and Dive Teams contractually have swim meets on select Tuesdays between September and February of each school year. The District will close the pool from 1:00-6:00pm on these days. The District also holds Sundays available for private meet rentals for private swim teams.

### 4.0 OTHER CLOSURES

The District General Manager or the Aquatic Manager has authority to temporarily close the facility if it is determined to be in the best interest of the District for health, mechanical, or safety concerns.

There may be an annual closure for maintenance each year. The duration will be determined by the Des Moines Pool Metropolitan Park District Board (Board) and will depend on the amount of maintenance required. Pass holders should be aware of annual maintenance closure and understand Des Moines Pool Metropolitan Park District (DMPMPD) facility will not be available for use at that time.

Inclement Weather: The District General Manager or the Aquatic Manager has the authority to close or change operating hours for the facility due to inclement weather. Please call the Mt. Rainier Pool at 206.824.4722, join our email notification system, or check us out on Facebook.

Closure due to local or national emergency: It is the policy of DMPMPD to maintain hours of operation, which make the best use of people and resources in serving the needs of the public. Closure of DMPMPD shall be at the discretion of the District General Manager after consideration of all facts presented. The welfare of the public and DMPMPD employees is the main concern.

### 5.0 SCHEDULE UPDATES

The District maintains an interactive schedule, email notification system and social media to help inform patrons of these schedule changes. Visit [www.mtrainierpool.com](http://www.mtrainierpool.com) to see an update schedule or to follow us by email or social media.
