# 340 Ver. 2.0 – Financial Aid/Scholarship Policy

# 1.0 PURPOSE

The Des Moines Pool Metropolitan Park District (District) understands that families and individuals due to circumstances beyond their control can experience severe financial problems. For this reason, the Financial Aid/Scholarship Program was created enabling resident and surrounding communities to have access to the pool and programs at a reduced fee.

## 2.0 ELIGIBILITY

The District's Financial Aid/Scholarship program exists for the purpose of helping members through periods of financial hardship. Assistance is prioritized for residents living within the boundaries of Des Moines and Normandy Park, WA. Remaining funds will be allocated towards non-residents.

There are three options for program eligibility:

- **Option #1**: <u>Free or Reduced Lunch Form</u> (Highline School District, Federal Way School District or St. Philomena's)
- **Option #2**: Income Verification Form (Most recent Federal Income Tax Form or Copy of Two Most Recent Pay Stubs) Des Moines & Normandy Park residents who are applying for the Resident Scholarship need only show proof of residency.
- **Option #3**: <u>Proof of Income Eligibility</u>: Individuals and families must provide proof of eligibility. Income eligibility will be determined by showing proof of qualification for, or participation in one of the following programs.
  - 1. DSHS services approval letter for applicant
  - 2. Applicant is a Foster Child

If requested, residents must provide documented proof of residency.

## 3.0 SCOPE OF FINANCIAL AID

Qualification is based upon the Household Income Guidelines for Free and Reduced Lunch Qualification. The U.S. Department of Housing and Urban Development's (HUD) current "Income Guidelines" will be used for the basis for establishing the award. Students that qualify for free or reduced lunches may qualify. DSHS Services Approval Award Letter and Foster Children will be at the 50% level. The District General Manager has the right to increase the scholarship amount up to 100% based on need. The tables below detail awards based on qualifications.

### 4.0 FUNDING LIMITS

Scholarships are dependent on funding availability, and awarded on a first-come, first-served basis subject to the rotation policy set forth below. See policy section for individual and family funding limits. Funding is allocated annually and distributed seasonally as follows:

| Season                        | % of Funds Available |
|-------------------------------|----------------------|
| Winter/Spring (January – May) | 25%                  |
| Summer (June – August)        | 50%                  |
| Fall (September – December)   | 25%                  |

Families that apply must comply with the requirements set forth below. Failure to do so may lead to the termination or lack of eligibility for aid. Anyone interested in this program may stop[ by the Mount Rainier Pool and pick up an application or download from the Mount Rainier Pool website (<u>https://mtrainierpool.com/scholarships</u>). If you have any questions, please call (206) 824-4722.
