John Wilson
Assessor

January 4, 2017

Below are the results of your Increase and Substantial Need Ordinances/Resolutions. New construction and the Annexation Levy (if it applies) will be adjusted per your final Levy Limit Worksheet for the 2017 tax year. Districts at their statutory maximum rate will have their levies revised according to that rate times the final taxable value of the district. All items in red represent the summation of your request. Any concerns should be communicated by email to both Hazel.Gantz@kingcounty.gov and Denise.McDonald-Bey@kingcounty.gov within 24 hours of receiving this notice. No need to call if no changes needed. Thanks.
