Date: Tuesday, November 15, 2022 To: District Board Commissioners

From: Scott Deschenes, District General Manager

Subject: Oct 15 – November 10, 2022, District General Manager Reports

RESCUE

The staff had to make a training at a corporate training that required an ambulance call for a preexisting condition. Staff reportedly did a great job. I will let Quentin report the details at our Tuesday board meeting. Below is a response from the corporate trainer.

Good afternoon Quentin,

We had our pool drill yesterday. Most of our students did well, but there were a few that struggled. Some were having trouble swimming or keeping their heads above water and others started to panic. Your lifeguards were EXCELLENT and went above and beyond to help our students get safely back onto our raft and out of the pool, as well as to help calm down the ones who were in a middle of a panic attack. They acted with such professionalism, and we want to show our gratitude. We were thinking of throwing them a pizza party if that is okay. Thank you and your lifeguards.

OCTOBER 25 BOARD MEETING

Just a reminder that this Tuesday, October 25, the rescheduled board meeting. We had posted the linked below information. We have not received any complaints or inquiries about the reschedule. https://mtrainierpool.com/wp-content/uploads/October-18-Agenda-Rescheduled-10142022.pdf Here is the October 25 board meeting agenda packet link. https://mtrainierpool.com/wp-content/uploads/10-25-22-Agenda-Packet-SVD.pdf

AFS GRANT/STUDY

President Young has signed the agreement and we are moving forward. I met with Stemper on Thursday morning and we are working with Stemper to setup their visits. We will present more information at our October 25 board meeting. We also have reached out to the school district on the last land survey. They are looking into it.

SEEK GRANT REPORT

I am working on the final report and invoices. The deadline is October 31. I will report on this at the board meeting. Holly Campbell put together some great information that we will share at Tuesday, October 25's board meeting.

SCHEDULE UPDATE

We will be sending a schedule update out next week to take effect on Monday, October 31. Below is an image of a DRAFT of the updated schedule. We have added practice swim team for swim lesson participants on Fridays and evening lap swim hours on Tuesday and Thursday evenings.

WIBIT SWIM

We had a staffing issue last Saturday morning and had to move the Wibit Swim to this Saturday. Patrons were either allowed to enter for \$1 that day or they could pay full price and come back for the Wibit Swim on October 22.

HALLOWEEN EVENT

We are going to have a Halloween Swim on October 29. I will let Quentin discuss this at this presentation on October 25. We are going to keep it simple for our first event since before Covid-19.

^{*4} Lanes available for SMAC 5-6pm (weekdays) and 6-7pm on T/TH. **1 Lane available for upper-level swim lessons. ***Only 4 lanes available on the Third Saturday for Wibit Setup for Open Swim ***Practice time for Fall 2023 swim lesson participants (free).

Our goal with our new staff is to train them to handle the newer swimmers to build towards other more-detailed future events.

TRICK OR TREAT PATH

We are going be at Marks and Marks CPA on Monday, October 31, as we participate with the Des Moines Legacy Foundation. We will have three lifeguards participate to hand out candy. We are working to procure 2,500 pieces of candy, develop flyers and Gene has made a banner for the event that we will also use at the Halloween event. Lauryne also did a good job with the past Zombie Fest where she got Zombie make-up for Lifeguards to wear. We are going to make this available for any staff that would like to use it.

IN-SERVICE

Quentin and Jared hosted our monthly in-service on Saturday, October 18. They setup the Wibit that afternoon to get staff used to setting it up and use it to better be able to guard it.

PTSA NIGHTS

I was trying to contact each PTSA group in order that they contacted us. The first group has not responded yet. If they do not respond by Monday, I am going to contact the other two groups. Once those three groups have been contacted, I will contact the remaining schools.

UPDATED MAIN PAGE

The staff picture was about three to four years old, so I updated the website's picture to a more recent picture of staff. We will also be updating the banner ad to the new schedule next week. https://mtrainierpool.com/

MAINTENANCE

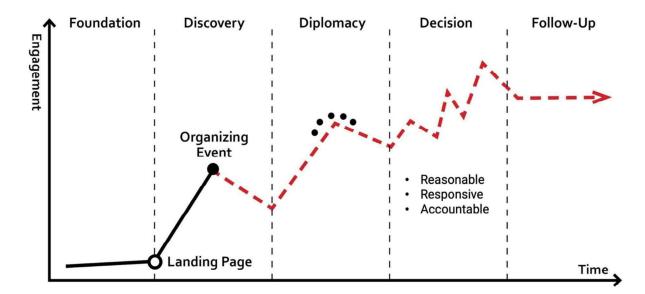

- <u>Gutter Cleaning</u> Sound Cleaning is coming out to look at the gutters, downspouts and roof for leaf removal on Monday at 10am. We hope to have the job completed after most leaves have fallen and before the rainy season. We had issues years ago when this service was not completed where water would get into the facility.
- <u>Plumbing Repair</u> We have some leaks in the pump room that have developed over the months. They are not big now, but if left unchecked could create larger issues. We are looking at a four plus hour closure. We are trying to see if we can get the repair completed the Friday or Saturday after Thanksgiving.
- <u>Door Repair</u> The door to the mechanical room by the men's locker room entrance is off its hinges. Quentin is working to get the door hinges replaced, which will require removing the broken bolts and potentially redrilling the hinges into the frame.
- <u>Indoor Air Quality</u> We had some smoke smell in the facility on Wednesday morning. Luckily it dissipated before we opened. As this looks like something that will become an annual issue, we are looking at an indoor air quality monitor. We feel this will help with patrons and staff's confidence even if there is a smell. The air handler's filters, which were just replaced should filter all harmful air.
- <u>Sidewalk Crack Repairs</u> Jared is working on filling gaps in the concrete in the sidewalk. He is concentrating on three areas: the walkway from the handicap parking, the main path to the parking lot, and the sidewalk ramp from the circular drive. These cracks are mostly from gaps developing from widening spaces. There are some roots that are pushing the concrete up that will not be fixed, but would require some larger repouring of concrete or shaving of areas, which both will be costly.

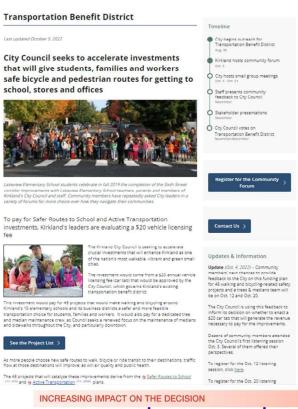

WRPA LOBBYIST RETIRING

Doug Levy is officially saying goodbye to his lobbyist position at WRPA at the conclusion of 2023. For over a decade and a half, WRPA's lobbyist, Doug Levy has represented WRPA's interests and has had a major impact on the success of WRPA. He's done so much for local parks and recreation and has been involved in many projects that have contributed to the growth of WRPA. Some of these projects have included the re-establishment of the Youth Athletic Facilities (YAF) program, record high levels of funding for the WWRP and the Aquatic Lands Enhancement Account (ALEA) and he also had tremendous involvement with the SEEK Funding Program. We are excited for Doug to spend more time with his family, create new memories, and experience some fun adventures. As Doug said himself, "This is a tale about profound gratitude, mixed emotions, evolving toward new journeys, and excitement over what lies ahead." We want to thank Doug for everything he has done for WRPA and wish him nothing but the best in his new chapter in life.

WEBINARS

• <u>Community Engagement Strategies that Build Public Trust</u> – This webinar focused on the process of framing and getting information from the public and how to best include them to grow capacity of public input. From this training, I think it would be good to have a landing page for the study to inform and educate the public.

Landing Page

	INCREASING IMPACT ON T	HE DECISION			
	INFORM	CONSULT	INVOLVE	COLLABORATE	EMPOWER
PUBLIC PARTICIPATION GOAL	To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.	To obtain public feedback on analysis, alternatives and/or decisions.	To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.	To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution.	To place final decision making in the hands of the public.
PROMISE TO THE PUBLIC	We will keep you informed.	We will keep you informed, listen to and acknowledge concerns and aspirations, and provide feedback on how public input influenced the decision.	We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision.	We will look to you for advice and innovation in formulating solutions and incorporate your advice and recommendations into the decisions to the maximum extent possible.	We will implement what you decide.

<u>Racial Caucus Training</u> – I participated in WRPA's Racial Caucus Training on Wednesday, October
 19. It was a good training to talk about how we can help push things forward.

Why do we Caucus? Anti-Racist White Caucus

- Strength: Building resiliency by learning in public with one another and admitting imperfections
- Knowledge: Seeking information and erasure of blind spots with each other to decrease burden on BIPOC friends, neighbors, and colleagues
- · Action: Making decisions and action plans to dismantle racist practices and policies
- Accountability: Being in relationship with another BIPOC caucus and seeking input on these action plans to ensure harm is minimized

WCIA MEETING

I had to go to the doctor on Friday and missed the meeting. We had already attended all of our COMPACT requirements, so it should not be a problem. I did let our WCIA rep know ahead of time.

BOARD MEETING FOLLOW-UP

<u>Door/security message for November meeting</u> – I talked to Brian about language for the agenda
for people to notify us if they are attending. We have to find a way to let people through the
front door of the building. We are putting language on the agenda and governance page to

please let us know ahead of time, and we will also post a sign on the door (laminated) to call us to let them in. For security purposes the high school is locked 24/7 and afterhours there is no one in the main office. Hopefully people do not call us too much for other access issues.

- New Positions Quentin is checking in with some people about our current positions that were
 added on Tuesday. We will also be posting the positions on the website's employment page
 next week and start moving forward with job postings.
- <u>Car Allowance/Insurance</u> I reached out to WCIA and legal. There were no issues with using staff vehicles, but IRS mileage was recommended over car allowances. I will make the adjustment and bring it up at the November 15 board meeting.

MAINTENANCE

- <u>Gutter Cleaning and Leaf/Debris Removal</u> We received a quote for about \$2,000. We have approved the quote and scheduling the work.
- <u>Door Replacement</u> The door replacement came in under \$1,000, so I am approving it and having it fixed as soon as possible.
- <u>Bolt</u> Jared is working to replace a bolt from one of the larger pipes. It fell off over the weekend, but was not leaking as the other bolts held tight.
- <u>LED Light Issues</u> We have two LED lights that seem to be on the same circuit that are working at diminished capacity. Since both of these lights would require scaffolding to be setup inside the water, we will probably let them go out until our next large closure. Even with the two lights out, we have plenty of foot candles to exceed minimum requirements and there should be no effect on the natatorium.

NO SWIM LESSONS SATURDAY

We sent the following message out to swim lessons on Thursday to announce that we had no swim lessons this Saturday. The break was part of the class's schedule to give instructors a mid-session break to help schedule more staff.

Dear Swim Lesson Parent/Participant,

This is just a reminder that there are no swim lessons scheduled for this Saturday, October 29. Lessons will resume on Saturday, November 5th. This was a break in lessons that was previously scheduled

We will have a Halloween Swim that afternoon from 1-2:30pm with candy, coloring, music and more. For information on daily rates or passes, click link below.

Thank you,

SCHEDULE UPDATE

We updated the schedule taking effect October 31 and updated the schedule page. We took out the interactive schedule too. Below is a link to the email notification that went out on Thursday. https://createsend.com/t/d-BA766D8829669AE72540EF23F30FEDED

HSD POOL USAGE

HSD plans to have all teams use the Mount Rainier Pool between November 28 and January 9, including Mt. Rainier High School's team and the combined Tyee, Highline and Evergreen Team. Technically there will be three teams including the district-wide dive team. The other pool they use will be closed during that time. We were trying to open additional times, but after discussion, we would have needed to displace SMAC, who had already given up some time in November to better accommodate lap swimmers. We also looked at seeing if we could onboard staff more quickly to accommodate more evening hours, but decided it was not feasible at this time to commit to.

SWIM MEETS

We have updated the schedule page to reflect the MRHS Swim Meets. We are still awaiting confirmation, but here is what is posted on their website.

HALLOWEEN EVENT

We will have a Halloween Event this Saturday, October 29 from 1-2:30pm. Activities will include games, coloring, candy and music. We wanted to make sure we had adequate staff, so we were a little late getting information out. One of our past staff Henson made the flyer over the summer.

TRICK OR TREAT PATH

Gene announced that we will be in the B&E Parking lot (Marks and Marks offices) for the Trick or Treat path on Monday, October 31 from 3-6pm. Quentin is allocating two to three guards and we should have about 3,000 pieces of candy plus flyer and schedules.

https://www.destinationdesmoines.org/trick-or-treat-path

Also, below is the table banner that Gene made for the event.

ARE YOURS PREPARED?

PTSA MEETING

We are meeting with Midway PTO this morning at 11:00am on their PTSA swim for November. They were the first to contact us, and we will next contact Des Moines Elementary and then Woodmont. After these organizations have been set, we will contact the remaining schools.

SEEK GRANT REPORT AND INVOICING

I am wrapping up SEEK invoicing and reporting hopefully today. The deadline is Monday, October 31.

KCYAS ACTIVE GRANT

We received the check for the MRP Swim Club for \$5,000. It should appear in the October financials. We still have another grant for equipment that I will try to get processed next month.

HEALTH BENEFITS

Lauryne sent an updated letter to Association of Washington Cities (AWC) asking for a waiver since our participation is lower than 50%. This is due to 16% of other users allocating their monies towards retirement. AWC is a great opportunity to attract employees with great access to benefits.

EMPLOYEE VOUCHERS

Lauryne is working with Quentin and Jared on digital paycheck vouchers for employees that opt-in. We are hoping this will save some

DES MOINES CITY CURRENTS AD

Gene contacted me about the November 4th ads for the Des Moines City Currents. He will be working on a full and half page ad. We will report more information next week.

BOARD MEETING UPDATE

We have our board meeting on Tuesday, November 15 that will include our budget public hearing. The meeting will be a long one with up to ten items on the agenda. We are working on putting the packet together. Quentin will be there to let people in the first floor if needed and I am working on a sign for the door. I have sent Brian the public hearing notice and hearing notification and resolutions. We normally do the same thing each year but with the new location and hybrid format, I wanted to make sure we have everything covered. Finally, I am reaching out again to Owl Labs to make sure the 360 camera/microphone works as it is supposed to. Just a heads up that the larger screen with the directional microphones might take some getting used to.

FINANCE COMMITTEE

I am meeting with the Finance Committee on Monday or Tuesday on a couple of small changes to the budget that will be presented at the board meeting, and recommendation for changes to the refund and scholarship policy and procedures. I am still trying to get a hold of one of the committee members to schedule the meeting.

TRICK OR TREAT PATH

We participated in the Trunk or Treat Path as the Des Moines Legacy Foundation gave us a spot in front of one of their members businesses. We gave out about 2k plus pieces of candy, added a number of people to the email list, handed out schedules and Mason gave updates on swim lessons.

HALLOWEEN CARNIVAL

We waited until the last minute to advertise for the Halloween Carnival and had lower than estimated turnout. It was probably good to have an event with new staff to work on the processes for safety. Out next special event will be April Pool's Day and we will market through the schools to push the water safety benefits of that program for the community. Quentin has some pictures that I will share next week.

PTSA EVENTS.

We have confirmed two schools. Midway will meet on Saturday, November 19 and Des Moines Elementary will meet on Saturday, January 21. We will meet with Woodmont K-8 on Monday.

We are trying to schedule In-Services after the event to have more hands on deck to help with Wibit and better utilize the limited staff available.

JOB INTEREST CARDS

Last week, we had a four day stretch with four job interest cards. Jared is following up with each of them.

PERMANENT PART-TIME POSITIONS

We have discussed the positions with two current staff members. We are getting ready to post the positions in the next couple of weeks.

FEEDBACK PROCESS IMPROVEMENT

Now that we are moving out of Covid-19, I am thinking about using QR code postings for a customer feedback/suggestions and program surveys for the facility. Below is an article from NRPA magazine. https://www.nrpa.org/parks-recreation-magazine/2022/november/using-technology-to-engage-your-community/

DES MOINES MAGAZINE ADS

We sent content for a full-page ad on open positions and a half-page ad on joining the email notification list. Today is the deadline. Gene is putting together the ads. I will attach the ads in next week's report.

WCIA

- COMPACT We have completed all of our requirements for 2022.
- <u>Auto Insurance Policy Survey</u> We are completing an auto insurance survey for WCIA. Even though we do not have any district automobiles, we are required to have one with our lease to govern/manage the Mount Rainier Pool. The deadline is due November 16, 2022.

WRPA AQUATICS

- Monthly Meeting Quentin and Jared will be attending the November 10 meeting. I will include
 any feedback they receive in next week's report.
- <u>Survey</u> Quentin is completing a survey to other local pools. This will cover what services they currently are offering.
- <u>Job Posting</u> Once we work out internal candidates for the new positions, we will be posting through WRPA and their aquatics group. Quentin will make an announcement at the meeting first.

MAINTENANCE UPDATE

- Roof and Gutters: Sound Cleaning will be out the morning of November 10 to complete the gutter and roof cleaning. With the recent weather most leaves have fallen.
- <u>Leaves</u>: Staff will be cleaning leaves off the main walkways. We are still awaiting the landscape company to remove them, but we just need them to be removed before icy weather.
- <u>Snow and Ice Removal</u>: Staff went and picked up the deicer from storage. It will be placed in the hall. Staff will clear a path to the main parking lot, along the sidewalk to the handicap spots, and a path to the wheelchair ramp on the circular lot. We do not have a contracted company to take care of the rest.

2023 ELECTION INFORMATION AND DEADLINES

We will have only one seat up in 2023, but I thought I would share the email and attached deadline form from King County Elections.

Dear Jurisdiction Administrator,

Good afternoon! With 2023 fast approaching, we wanted to send you some important election updates for next year:

- We are now required to produce a local voters' pamphlet for all elections (<u>RCW 29A.32.210</u>). This is a
 change from past years where districts had to request we publish a local voters' pamphlet for a
 special election in February or April. Now, a local voters' pamphlet will be published for all districts in
 an election automatically for the February, April, August, and November elections.
- Attached is a PDF with key dates and deadlines for 2023.
- We have updated the following on our website for 2023:
 - Jurisdiction Manual: provides you with information you'll need as a jurisdiction administrator including key election dates and deadlines, requirements for filing ballot measures, and instructions regarding your role.
 - <u>Ballot Measure Coversheet</u>: should be completed and submitted to our office with any ballot measure resolutions.
 - o <u>Local Voters' Pamphlet Packet</u>: contains key dates and information for both jurisdiction administrators and pro/con committees for submitting voters' pamphlet information.
- Following the certification of the November 8, 2022, General Election, we will update the validation summary for next year. We will send you an email notification when it has been updated.

To assist with the election planning process, please respond to this message or email <u>election.services@kingcounty.gov</u> by Thursday, November 10th if your district will be and/or could be submitting a resolution to appear on the February 2023 special election ballot.

As a reminder, resolutions calling for an election must be submitted to our office by December 16 to appear in the February 2023 special election.

OTHER LOCAL POOL CONSTRUCTION PROJECTS

With the aging pools, there are a number of pools that are closing for projects and updates. KCAC just re-opened after modernization earlier this summer/fall.

- Hazen Pool Closed Until December 2023 https://www.rentonschools.us/locations/pool-hazen
- Federal Way Leisure Pool Closed Until December 17, 2022
 - https://itallhappenshere.org/recreation/aquatics-pools/

Note- I know another pool has an upcoming project, but they have not announced it.

8b. Proposed Employee Pay & Bonuses

District GM and Aquatics Manager presented the proposed wages, bonuses, and benefits for 2023. Although the district has grown its overall number of employees, there are areas that still need improvement. The District GM hopes the attached suggestions made in the presentation will help the district build capacity towards increased hours and reinstalment of key community programming after COVID-19. Among these suggested are to hire one Lead Head Lifeguard, and three Permanent Part-Time Lifeguard positions. The current lifeguard positions would be changed to Temporary Part-Time Lifeguard. The presentation and details can be found in the October 25 agenda packet online. District GM recommended approving all new employees as staff can begin improvements as soon as possible to immediately help build back operational capacity. Commissioner Dusenbury moved to approve the Lead Head Lifeguard, Permanent Part-Time Lifeguard, and the Temporary Part-Time Lifeguard Positions. Commissioner Campbell 2nd. The motion passed 5-0.

8C. Proposed 2023 Rates & Fees

District GM presented the suggested 2023 Rates and Fees including comparisons to other service providers. The District GM suggested to keep rates and fees as they are due to lowered operational hours due to lifeguard shortage in the Fall and to revisit at the June 2023 regular board meeting to adjust as needed. No Motion needed at this time, informational only.

8D. Proposed Finance and Administration Changes

The District GM presented suggested changes for Administration (including Information Technology) and Finance. The focus is to make changes that will streamline processes. Examples include replacing Heartland Payroll with Vision MS payroll, reconfiguring reports within vision, and moving the District Server to CMIT server site. While no major changes will happen at this time, the information was gathered to help make changes in the future. No motion needed at this time, informational only.

8E. 2023 Proposed Budget and Estimated Levy (Working Draft)

District GM presented the 2023 budget including changes in expenditures and revenues. The preliminary working draft of the budget as well as the 2023 levy worksheet for the week of October 11, can be found in the October 25 Regular Board meeting packet online. This is a working draft that will not be adopted until the November 15 public hearing. There was discussion about having a budget retreat, but the board declined at this time unless there were major changes. No motion needed at this time, informational only.

NEW BUSINESS

9a. SEEK Grant Report

The District applied for and received a Summer Education and Enrichment for Kids (SEEK) grant for \$79,575 from the Office of the Superintendent of Public Instructions (OSPI). The District started swim lesson registration September 21 for classes that will be covered by the grant in October. Des Moines Pool Metropolitan Park District Meeting Minutes – 10/25/2022

District GM discussed the recommended steps for ending the state of emergency and future public meetings. Both the Resolution 2020-03 Declaration of Emergency, COVID-19 and Resolutions 2020-04 Declaration of Emergency, Waiver of Bidding will be waived by Lifting the Declaration of Emergency. While there were good processes created during the pandemic including hybrid meetings and digital signatures that should help the district in the future with efficiency and accessibility, there are processes that are no longer needed. While the board will still have the power to require employees to be vaccinated the staff did not recommend this, as it would make it more difficult to offer services. More information can be found in the October 25 regular board meeting packet online. Commissioner Stender moved to approve Resolution 2022-05 Lifting of the Declaration of Emergency for Covid-19. Commissioner Achziger 2nd. Motion Passed 5-0.

9c. Aquatic Feasibility Study Update

The District has a two-touch rule for informing then approving items to ensure all board members have adequate time to approve items. At the July 20, 2021, board meeting, the commissioners were presented with a proposal for a feasibility study from Stemper Architects for \$95,000. For the second touch at the August 17, 2021, meeting, it was determined that the proposal would be pushed until the aquatic facilities grant was awarded. Due to Covid-19, funding was delayed until 2022 and the agreement has still not been signed by this meeting. The economy has also had unprecedented inflation from 2021 to 2022. Stemper has provided an updated estimate that is \$137,842, which includes an NTE to ensure all costs are covered. The KCYAS grant will cover \$100,000 of these fees but there will still be money that will need to be paid or transferred out of the capital fund to cover the additional funds. At the District GM's recommendation at the August 16 Regular Board Meeting, Commissioners approved the estimate to move forward with the facility as it should give the board of commissioners' executable information on the facility that is in its 47th year of operations.

Both the Feasibility/Project Grant Agreement with King County and Task Order 03/Comprehensive Assessment and Feasibility Study with Stemper were fully signed on Wednesday, Oct 19, 2022. Both agreements can be found in the October 25 regular board meeting packet online. The next steps are to have preliminary testing and a land survey complete, due to the delays with the grant coming out later than scheduled the study is estimated to be complete in Spring of 2023, with no other delays. No Motion needed at this time, informational only.

ADJOURNMENT

With no further business the meeting was adjourned at 8:42pm.

Under: Executive Sessio	n Business		Attachment:	None	
Subject: HSD Lease Exter	nsion				
Background/Summary: At the January 18, 2022, regular meeting, the board of commissioners directed the District General Manager to reach out to the Highline School District about the lease extension, which a letter to renew was due by April 30, 2022. At the March 15 regular meeting, the board directed the District GM to send a letter to extend the Mount Rainier Pool lease. This letter was sent and confirmed to be received from the Highline School District before the deadline. The District General Manager and Highline School District have met and will continue to meet on the lease extension. Since this is a contract negotiation, the District GM is notifying the board of progress, but no proposed agreement will be presented. This is to ensure the District GM negotiations reflect the direction of the board. At the July 19 Regular Board Meeting, it was requested that all board members make comments and edits by August 2, 2022. The District GM met with the Capital and Contracts Committee on August 3 to go over all edits for recommendations to the full board. The board will go over the proposed edits at the meeting to go back to the school district for negotiations. We received preliminary edits back from HSD and legal counsel will be present to discuss. A confidential copy will be sent to board members directly by the District GM. UPDATE (10/11/2022): The District GM and legal have sent the updated version of the proposed lease after the September 20 board meeting. The agreement is being reviewed and at the time of sending out the agenda, there are no updates. UPDATE (11/10/2022): There are no updates.

Third Quarter (Q3) 2022 Financial Status Report DES MOINES POOL M.P.D./ MOUNT RAINIER POOL November 15, 2022

July through September Financial Activity reports –have been reviewed, reconciled, and adjusted to reflect all activity of the district that has flowed through the King County Treasurer's office. The report represents the 3rd guarter results for fiscal year 2022.

The General Fund records all of the activities of the district and the district has a separate capital reserve fund. All of the financial transactions of the district are recorded within General Fund and the balance will fluctuate from month to month, while the reserve account receives its funds on an annual basis in keeping with the districts goal to build up the fund balance for future capital projects.

The balances in each of these funds on September 30, 2022, are:

- General Fund \$ 994,176.04
- Capital Reserve \$420,000.00

Total Available Funds \$1,414,176.04

The cash flow chart and associated data has been developed to focus on the activity of the "General Fund", but the combined cash balance reflects the total of both the general fund and the (Capital) Reserve Fund.

The third quarter review of financial transactions and their cumulative totals typically do not represent much financial activity for the district. The third quarter analysis is an affirmation of expenditures being on target to meet projections and a verification of ending fund balances for the previous fiscal period.

REVENUES

Revenues of the district fall within five categories as reflected in the following chart:

	Budget	YTD	%
Beginning Balance	\$1,000,000.00	\$994,176.04	99%
Taxes	\$1,077,572.00	\$465,082.79	43%
Charges for Service*	\$25,000.00	\$25,000.00	100%
Misc./Interest	\$20,000.00	\$8,966.65	45%
Over the Counter**	\$180,000.00	\$130,477.02.66	72%
Transfer from Reserves***	\$75,000.00	\$0.00	0%

^{*}Normandy Park Payment Made in July 2022 (after this quarter).

DMPMPD – 3rd Quarter 2022 Financial Report

November 15, 2022

^{**}Does not include revenues from swim team rentals and SEEK and KCYAS Grants that will be collected in the fourth quarter.

^{***}Transfer to reserves will be performed at the December meeting in fourth quarter.

The primary revenue source for the District is the collection of property taxes. Property tax is primarily collected in April/May and then again in Oct/November. The 3rd quarter results reflect this cash flow cycle with the exception of the beginning fund balance. The ending fund balance from 2022 was greater than forecasted which provides the district with a surplus to start the year of \$176,767.

The Expenditure report for September 30 reflects the activities of the district, which have been segregated into departments &/or categories. I have summarized the budget appropriations for each function to allow you to analyze the activities separate from one another.

	Budget	YTD	%
Administration*	\$466,546.00	\$280,484.64	60%
Operations	\$1,179,527.00	\$696,280.62	59%
Capital Reserve	\$86,500.00	\$11,826.25	14%
Transfer to Reserves	\$75,000.00	\$0.00	0%
Totals	\$ 1,732,572.00	\$988,591.51	57%

^{*}There was an adjustment to the District Clerk/Aquatics Coordinator split and an adjustment to the election overcharge fees that was adjusted during Q3. Both better reflect the true position of administration versus the Q2 report.

Each of these departments has individual line-item allocations via the annual budget process. The monthly expenditure reports reflect the line-item detail. The year-to-date totals for administration and pool facility operations are within the budget expectation of 75% for the thir quarter. Variances include continued usage of the district offices past budgeted amount, the effects of inflation on utilities and other services, and increased programming to meet grant generated revenue needs. We are working to adjust these totals in future reports.

The total expenditures for the District as of September 30, 2022, are at 57% of budget. This is well under the anticipated level of 75%. The 4th quarter for the district will see more activity in the area of revenues from tax, grant and contracted usage.

As previously stated, the 1st quarter activities of the district were minimal due to Covid-19 and building up our operations. 2nd & 3rd quarter activities were effected by limitations due to limited recruitment opportunities during Covid-19, which staff has worked hard to overcome. The next quarterly/end of year report will be presented to the board at its February regular meeting and will provide good insight into the cash position of the district and some of the impacts of grant reimbursements, set to occur during the fourth quarter fiscal.

AGENDA ITEMS SUMMARY S	SHEET						
Agenda Item #: 9a Assigned to: District GM	Meeting Date : <u>11/15/22</u>						
Under: New Business	Attachment: Yes						
Subject: Scholarship Process Updates							
Background/Summary: Scholarship program and policy 340 were due for an update in 2020, but Covid-19 made us focus on other items. Also, as part of the recovery from Covid-19, all students now receive free lunches. This last year patrons were able to utilize the SEEK grant and KCYAS Grant programs.							
The free lunch program provided an easy method to filter scholarships. The new process will be much more detailed and required documentation.							
The new process will make it more difficult to apply due to the steps needed to ensure the district is not public gifting. I have also added that it is for residents only. The intricacy of the steps for residents may already be confusing but adding a layer of resident versus non-resident will increase the complexity. We also should focus on residents until we increase our capacity.							
The District GM is putting this to the board as a first touch to the board. The District GM will send an editable version of the document out to the board this Friday, November 18 as part of the weekly report and asks for all edits by Tuesday, December 6 at 10:00am. If there are sufficient changes, the District GM will schedule a Policy and Procedure Committee (Campbell and Young) to discuss potential changes. (Note-the reasoning for two weeks early is for sufficient time to send information to legal, review with Policy and Procedure Committee, and send out in agenda packet the Thursday before the meeting.)

340 - Financial Aid/Scholarship Policy

1.0 PURPOSE

The Des Moines Pool Metropolitan Park District (District) understands that families and individuals due to circumstances beyond their control can experience severe financial problems. For this reason, the Financial Aid/Scholarship Program was created enabling residents to have access to the pool and programs at a reduced fee.

The District's Financial Aid/Scholarship program exists for the purpose of helping residents through periods of financial hardship. Assistance is provided for residents living within the boundaries of Des Moines, and Normandy Park WA. The amount of financial aid awarded is done through discounts of 50-90% for admission passes and 50%-90% for swim lessons. Once qualified, you and/or your child will be allowed to enroll in one swim lesson session per quarter. Eligibility is not automatic as there is limited financial aid available. Families that apply will have to comply with the requirements set forth below. Failure to do so can lead to the termination or lack of eligibility for aid. Any resident interested in this program may stop by the Mount Rainier Pool and pick up an application or download from the Mount Rainier Pool website (https://mtrainierpool.com). If you have any questions, please call (206) 429-3852.

The District's goal in the Scholarship Policy is to administer a Financial Aid/Scholarship program in which access to the Mount Rainier Pool and programs are available to the entire community regardless of race, color, religion, sex, national origin, age, or disability.

2.0 ELIGIBILITY

To be eligible to receive financial assistance, the applicant must meet the following criteria.

- Must be a resident of Des Moines or Normandy Park, WA.
- Must apply for assistance in writing using the financial aid form (see attachment A) provided by the District.
- Must provide all documentation requested by the District.
- If requested, residents must submit a copy of their most recent federal income tax return (Form 1040) and any additional income verification information required.

3.0 SCOPE OF FINANCIAL AID

The financial aid program is intended to benefit residents in temporary financial need. Financial aid may not be available for all programs or for some direct cost as determined by the District Board of Commissioners. These would include contractual programs, special events and ticket type events. The district offers two types of Financial Aid/Scholarships.

- 1. Facility admission pass scholarship (50 90% of pass cost)
- 2. Swim lesson scholarship (50 90% of lesson cost, maximum of one lesson per child per year).
- 3. Scholarships will match income eligibility guidelines that will be posted in August of each year and will take effect September 1 and run until August 31 of each year. See Attachment 2.
- 4. The District General Manager of the Des Moines Pool Metropolitan Park District reserves the right to award up to 100% on swim scholarships.

The amount of aid may vary, depending on financial need, number of aid applications and money available; however, except as noted above, in no case shall the amount of aid to an individual exceed 90% of the pass fee or 90% or the swim lesson fee. Financial aid is awarded on a first come, first served

FINAL: TBD 340-1

basis and approval is dependent on space being available. The maximum amount of financial aid is \$1,000 per family, regardless of family size and \$10,000 in total District assistance per calendar year.

4.0 OTHER

- 1. All information on the application must be true and accurate. Financial aid provided is legally recoverable if awarded on the basis of false information. Any applicant who receives financial aid based upon false information, shall pay the entire amount back to the District upon demand, and shall also be responsible for the payment of all costs of collection, including attorney's fees and costs. Future usage of the pool may be placed on hold until the money is recovered.
- 2. All information received will remain confidential and secure.
- 3. All financial aid shall be awarded solely based upon the individual need of the applicant without regard to race, color, gender, religion or sexual orientation.
- 4. All fees are due at the time of registration. (No class spots will be held).
- 5. Incomplete forms will not be accepted. Process will start once form is completed.
- 6. A new form must be submitted each year to qualify for financial aid (starting on September 1). Groups and organizations are not eligible for scholarship but may qualify for a group discount.
- 7. Scholarships may be awarded on a rotating schedule to minimize the potential for exclusion of any applicant.
- 8. Scholarships are only for programs at the Mount Rainier Pool, and cover swim lessons, swim passes, certification course, and water exercise.
- 9. Swim lesson, certification courses, and water aerobics classes must have space available.
- 10. The District General Manager will mediate any disputes over Scholarship Awards.
- 11. Participants must have all absences excused by pool management staff. Call (206) 824-4722 to excuse your absence.
- 12. Participants will be given one courtesy unexcused absence, but any additional unexcused absences could result in forfeiture of your scholarship award, plus being barred from applying for future scholarships.
- 13. Participants will forfeit any portion of their fees that were paid towards the class to hold your spot. This includes any cancellation within one full week of a class.

5.0 APPLICATION PROCEDURES

1. Complete the financial aid application form which is available on the Mount Rainier Pool website. Return the completed form along with all required documentation to:

Mount Rainier Pool 22722 19th Avenue South Des Moines, WA 98198

- 2. Upon receipt, the Pool Management and/or District General Manager will review the application and make a decision of approval/disapproval and if approved, the percentage amount of financial aid to be provided. Aid provided will be based on many factors including, but not limited to, family size, family income, other types/amounts of aid received from agencies and other extenuating circumstances. Another consideration shall be the number of applicants for financial aid.
- 3. Applications for financial aid will be notified within 10 business days of receipt of completed application, including all necessary documents, as to the grant status.
- 4. Upon approval, applicants may register for programs through regular District registration procedures.

Financial aid is valid for one calendar year (September 1 through August 31) and a new application must be submitted each year. New information will be available in mid-August of each year.

AGENDA ITEMS SUMMARY SHEET

Agenda Item #: 10b	Assigned to: District G.M. Meeting Date: November 15, 2022
Under: Public Hearing	Attachment: Yes X No
Subject: Budget and Le	evy Certification (Public Hearing)

Background/Summary:

The Budget and Levy Certification for 2023 are due on November 30, 2022.

For **Resolution 2022-06 Certifying Property Tax Levy and Adopting an Operating Budget** for the Fiscal Year Beginning January 1, 2023, the \$1,295,380, \$1,220,380 is for operations, while \$75,000 is set for capital. The District has also allocated \$75,000 for unforeseen maintenance. Any of the unused monies to maintain these issues can also be transferred to capital. This will be done at the end of 2023. There is also 4,837 in refunds (new construction) that will cover the total.

Ordinance form 2152 is included with Resolution 2022-06 and will need to be signed by the President of the Board of Commissioners. It reflects the information that is included in the resolution but is required by King County.

For **Resolution 2022-07 Property Tax Increase** is for increases to the levy from one year to the next. Although the levy rate is around the same level as last year, the amount of taxes has gone up \$217,807 (20%). As of November 15, the district's assessed value has also increased 20% since it was approved on November 22, 2021.

Resolution 2022-08 Substantial Need: There is no need for a Substantial Need Resolutions since the IPD (inflation) rate is 6.47%. We received notification from King County of the IPD.

Finally, math for the levy certification is from the Assessed Value provided by the county dated November 3. This information was sent out on Monday, November 7th and is the most recent update before the agenda packet was finalized on Thursday, November 10th. Des Moines Pool MPD assessed values (AV) are based on the boundaries of the City of Des Moines and will change between now and the start of 2023. With inflation this should be lower than the levy rate presented. For example, the approved levy rate was just under \$.20/1,000 in November 22 but ended up being \$.1975/1,000 when the levy was certified in early 2022.

Fiscal Impact: See attached documents.

Proposed Motion:

ALL MOTIONS MOVED TO 10D AFTER PUBLIC COMMENT.

Motion 1: I move to approve Resolution 2022-06 "Certifying Property Tax Levy and Adopting an Operating Budget for the Fiscal Year Beginning January 1, 2023".

Motion 2: I move to approve Resolution 2022-07 "Resolution of Increase" for an increase of \$217,807 between the 2022 and 2023 levy certifications.

ALL YEARS SHOWN ON THIS FORM ARE THE YEARS IN WHICH THE TAX IS PAYABLE. *Please read carefully the notes on the reverse side.*

Notes:

- 1) Rates for fire districts and the library district are estimated at the time this worksheet is produced. Fire district and library district rates affect the maximum allowable rate for cities annexed to them. These rates *will* change, mainly in response to the actual levy requests from the fire and library districts. Hence, affected cities may have a higher or lower allowable levy rate than is shown here when final levy rates are calculated.
- 2) This figure shows the maximum *allowable levy*, which may differ from any actual prior levy if a district has levied less than its maximum in prior years. The maximum allowable levy excludes any allowable refund levy if the maximum was based on a limit factor. The maximum allowable levy excludes omitted assessments if the maximum was determined by your district's statutory rate limit. If your district passed a limit factor ordinance in the year indicated, that limit factor would help determine the highest allowable levy. However, if the statutory rate limit was more restrictive than your stated limit factor, the statutory rate limit is controlling.
- 3) Any increase in value in state-assessed property is considered to be new construction value for purposes of calculating the respective limits. State-assessed property is property belonging to inter-county utility and transportation companies (telephone, railroad, airline companies and the like).
- 4) An omitted assessment is property value that should have been included on a prior year's roll but will be included on the tax roll for which this worksheet has been prepared. Omits are assessed and taxed at the rate in effect for the year omitted (RCW 84.40.080-085). Omitted assessments tax is deducted from the levy maximum before calculating the levy rate for current assessments and added back in as a current year's receivable.
- 5) Administrative refunds under RCW 84.69.020 were removed from the levy lid by the 1981 legislature.
- 6) A district is entitled to the lesser of the maximum levies determined by application of the limit under RCW 84.55 and the statutory rate limit. Levies may be subject to further proration if aggregate rate limits set in Article VII of the state constitution and in RCW 84.52.043 are exceeded.
- 7) This section is provided for your information, and to assist in preparing any Increase Ordinance that may be required by RCW 84.55.120. The increase information compares the allowable levy for the next tax year with your ACTUAL levy being collected this year. The actual levy excludes any refund levy and expired temporary lid lifts, if applicable. New construction, annexation and refund levies, as well as temporary lid lifts in their initial year, are subtracted from this year's *allowable* levy before the comparison is made.
- 8) Assessed valuations shown are subject to change from error corrections and appeal board decisions recorded between the date of this worksheet and final levy rate determination.
