WHEREAS, the Board of Commissioners of the DES MOINES POOL METROPOLITAN PARK DISTRICT, after hearing, and after duly considering all relevant evidence and testimony presented, has determined that the District does not require an increase in property tax revenue from the previous year, in addition to the increase resulting from the addition of new construction and improvements to property and any increase in the value of state-assessed property, and amounts authorized by law as a result of any annexations that have occurred and refunds made, in order to discharge the expected expenses and obligations of the department and in its best interest; now therefore, be it

The dollar amount of the increase over the prior year’s levy shall be \$46,084, representing a 1.97% increase from the previous year. This increase is exclusive of any additional revenue resulting from new construction, improvements to property, newly constructed wind turbines, solar, biomass, and geothermal facilities, increases in the value of state-assessed property, annexations, and refunds made.
